From Principal's Desk

I solemnly thank the Almighty God with immense gratitude and admiration for the bygone year and all His myriads of blessings showered upon. We unlearned and relearned everything needful and kept learning that was a huge force. It's a brand-new vision into reality, being with the children in their growing up. Accompaniment with the tender lives we learn to be kinder and more tender hearted. Being with most vulnerable we turn out to be humble and simple. Schooling is not only epitome of wisdom but also future vision. Moulding is the manual labour; machinery is the efficient staff who carry on this noble responsible task to bring about radical change and progress in the most fragile hearts entrusted to the care. We accomplish this formative journey in collaboration with the parents who value education and strive their best to get their children progress in life rightly with a correct motivation.

A heartfelt thanks and appreciation to everyone who contributed their bit of share to fruitfulness for a smooth run of this academic year. A profound salute to all

God Bless you!

SSC Board examination -3rd April 2023

Final examination (SA-2) for Middle and High school -10th April ,2023.

IT IS THE STRUGGLES THAT COMPLETES YOUR JOURNEY .

I precisely remember it was the 15th of June when the aspirations of a very young heart finally came true right in front of her as she stood there declared the Head girl of 2022-23 .When I came home that day ,I had a hand over my mouth and in the most exaggerated way I told my dad that “ I am the head girl of St. Anns! I was so full of myself that day .I can hardly remember anyone reactions to those words .As I know the practices had turned into show time , and there came the investitures ceremony .It was indeed an unforgettable and magical event which transformed me in so many good ways .

I still remember, after the final march out, me and my fellow cabinet members , embracing each other out of pure bliss in the heart and tears of joy in our eyes . No feeling will ever be able to compare to that . Looking back its been an honour from day one to adorn this batch on my uniform.

It didn't just give me a sense of responsibility but suddenly at that moment of time it gave me a sense of purpose.

Some one wise once said ,” Leadership isn't just about how you lead but in fact about the legacy you leave behind “.The message I write to my fellow Annites today will be preserved on that top shelf on the library and so I hope what I share with you is worthwhile .

There is a time that the mind comes to terms with the fact that , your bruised knee isn't just a patch but a sign that you chose to make great things happen , that you stepped out of your comfort zone and unto the world .

Being a part of the school cabinet in general is quite a roller coaster. One minute you know you are having the best time of your life and the next you are surrounded by work , but they are both sides of the same coin . It is easy to be at the top of the world when you are praised and glorified but staying in difficult times is only possible when you have an entire support system to hold on to. I am thankful to my teachers for being that support system of mine throughout the year and helping me keep my sanity in fact .

I believe dreams aren't something you dream of alone nor can they be fulfilled alone right from the day I desired to bare the school flag .My mother too dreamt of a pious, successful and achieving daughter. MY heartfelt gratitude to her . Almost everything I do today is an attempt to put a proud smile on her face in heaven .

Rudrakshini I will forever cherish the memories and responsibilities we shared together Thank you Divya for being so co-operative and helpful on this fun filled journey .To all the captains and vice –captains you all have been so supportive and amazing ! Thank for making this year a little more indelible .And how do I forget my lovely annites, Thank you so much , for it was you at last who truly did make this journey elevated . I would also like to thank the principal and the teachers for having faith in me , and for encouraging me each time to go a bit further

I hope for love in everyone, and the very best to all the future cabinets.

Thank you and God Bless

BELIEVE YOU CAN DO IT AND YOU WILL DO IT

' The wings of transformation are born of patience and struggles.'

St. Ann's High School Bolarum – the prestigious institution that has transformed me from an ordinary student to an exceptional pupil leader as the transition of a caterpillar to a butterfly .

I have been pursuing my schooling in St. Ann's since lower kindergarten . This 12 year long experience at St. Ann's is ineffaceable. It was a great learning experience.

Captivated by the school cabinet it was my dream since primary schooling to be the office bearer of my school.

This ambition of mine came true on 15th June 2022 when the cabinet elections were held and I was nominated for the reputed post of HEAD GIRL .

As I was a delivering the speech , I could only hear my voice being echoed around the hall. Silence prevailed throughout the auditorium as everyone was curious to know the results .And then came the moment that was awaited with eagerness and anxiety. The principal announced 'And the Asst. Head Girl for the academic year 2022-23 is ... guesses? S.RUDRAKSHINI!'" These words were priceless to me .

I was elected as the VICE HEAD GIRL , my anxiety soon turned into a sigh of bliss and I wept my tears of joy.

25-06-2022, Investiture ceremony was the most awaited event where the cabinet was officially declared as the office bearers, which was witnessed by my parents and whole management .

'The most beautiful thing in life is to see your parents smiling and knowing that you're the reason behind that smile .' As my parents walked through the guard of honor it was a joyous moment for me as I could see the feeling of pride and happiness in their eyes.

As I marched forward to take the oath I aimed to transform vision into a reality by living up to everyone's expectation. The placard in my hand with the school motto INTEGRITY taught me to be honest and follow the right path, the uniform gave me the pride of being an Annite , the sash gave me the responsibility to be supportive and courageous ,and the badges taught me to shine always with positive attitude .

REDEFINING SUCCESS

' Commit to the lord whatever you do and your plans will succeed Proverbs'. 16:3
' The journey of a thousand steps begins with a single step .' My life's journey began with humble steps through the doors of St. Ann's High School Bolarum ... as a young girl in the year 2011 ... fascinated by the cabinet of the school and attending various investiture ceremonies conducted at school I knew I wanted to be one ...
After years of wait and prayers , my wishes were heard on 13th June when I found out that I was nominated for the prestigious post of the HEAD GIRL .
The school elections were held on 15th June 2022 when curiosity and anxiety had cast a spell over me . The usually noisy auditorium of St. Anns' was in pin drop silence , when Rev. Sr. Annapurna announced the results and said "The cultural secretary for the year 2022-23 is 'Divya Dorairaj ,' my joy knew no bounds. Walking up the stairs of the auditorium stage I knew this journey will teach me valuable life lessons and impact my life in a resplendent way. All this was only possible by the grace of god and my respected principal Rev. Sr. Annapurna all my teachers and of course my fellow students. The confidence I had in myself and the sheer hard work made my wildest dream of the school come true.
After the elections Time passed by and the d-day arrived -' THE INVESTITURE CEREMONY '.which was held on 25th June 2022.... It was a magnificent morning the rays of sunlight spread a golden light everywhere ... every beat of the drum while marching forward leading the 4 houses made me realize the responsibilities and the duties that approached alongside the cultural secretary badge .My all time supporters and the strongest pillars of my life are my parents They were happier than ever The twinkle in their eyes when I shouted ' Do you the members of the school accept me as your cultural secretary' and then going on to wear that honour on my uniform made me feel like I've actually achieved something .
The immense support by the school faculty made me to give my 101 % in all the culture activities .
To my fellow captains, thank you for making this journey a memorable and adventurous one .
One important lesson which I learnt in this 12 long years of my schooling is Failure is an inescapable part of our lives and a critically important part of any successful life .
Remember , the one who falls and gets up is stronger than the one who never tried .Do not fear failure, but rather fear not trying it .
I'm forever grateful for this opportunity of serving my school for 2 straight years and I promise I'll always be there for my second home - 'my school'.
Thank you St. Ann's for allowing me to extend my wings and fly higher...
All the very best to my successors,
All's well that end's well ,our academic journey has come to end ...
As I walk out through the gates of this great school, here's a message ,to everybody ,
What's yours will find you,
'What comes easy wont last ,
what lasts wont come easy '
Don't let anyone dull your sparkle .
Once again ,
Thank you St. Anns !

The vision and conviction....

An exceptional tale of the yellow flower will always remain as a highlighted page in the novel of my life

For the starters and for the people who are wandering about my title , let me tell you that this journey is corresponding to my title which is a Sanskrit saying which means that a ' wanderer eventually finds his path , or ends up creating one for himself .' Not only has this been a journey of finding myself but I also understood that life is a lot more than a little zone that you created for yourself . it all started on the afternoon of JUNE 15 with who is the Daffodils Captain ?' and my group mates confidently shouted "SUBHADRA!!" while our principal let

out a calm 'yes ' , a sudden moment of silence when my heart actually skipped a beat , the moment when climbing our very own auditorium stage felt like a kind of greatest of achievement . Being called as the Daffodils captain felt like a kind of unrealistic magic that's actually happening .Underneath myself doubt laid an uncertain dream of being a captain which turned into reality on the INVESTITURE CEREMONY ON 25th of JUNE . I was handed the flag of the house of Daffodils while I was humbled with our principal's words 'Be faithful to your duty .' the proud look on my parents face is still imprinted in my heart . Even now a soft smile appears on my face every morning while I pin my badges reminding myself of the responsibility that I've been given and the oath that we took . However there is a saying that daydreams often contradict reality and not everything is joyous as it seem to the viewers . There will be times of pure happiness and there will also be times when you bury yourself with tears because even the best efforts gave the worst outcome . One thing that captainship has taught me is that failing is alright. Trembling and falling down is also alright, unless you stand up again. Situations might not be in our control. I Thank all my group members for being the one's who lifted me up every time ... none of this would have been possible without them.

My distinct gratitude goes to my vice captainS.Vandana for always being like my other half throughout this journey . I thank her consistent efforts towards this successful journey.

The Given Prosperity

“ In prosperity prepare for one ; in adversity hope for one .’

A leader is not made in one's life, for the difficulty is not in organization and making plans , the real test of a leader lies in holding widely different people together along the line of their common sympathies and this can only be done unconsciously never by trying .

From the heart core imaginary dream to wildest exceptional reality of taking the reputed post in school cabinet was indeed one of the fondest dreams of mine . I still reminisce the days when I saw my group captains marching with great pride and honour. They gave me a desire to be one of them .And this was fulfilled on 15TH JUNE 2022, when I was announced as the DAFFODILS VICE CAPITAIN'. It was a real exhilarating moment for me . It was on Investiture ceremony where I began to take up responsibilities as Vice Captains . Being given the

privilege of a Vice Captain is no less than a heart pounding moment.

Life is all about flowing forward with the lessons learnt .This transpired during my captaincy, I learnt numerous things throughout this journey –right from the first day yet to the last day ,every day taught me a new lesson. There were many obstacles in between ,but we faced them with utmost courage .Every defeat we had made me understand my flaw and to work even more efficiently next time .it Taught me the real essence of 'team work'. Captaincy is not just a badge or title , it's the capacity to handle things in your own way , I acknowledged that both studies and responsibilities is what makes you efficient and capable!

I took my way and led the groups with the company of my captain Subhadra Purnima . We shared our responsibilities and helped each other .Together we did great things! Every day in this journey was so important and the time spent together with cabinet members was momentous.

I would like to thank all my group teachers and group mates for helping us in each and every step of this journey, standing by, finding out the potential in me and giving me this opportunity.

May our group attain great heights and seek success

READY ---- AIM ---- FIRE !

It has been 13 years from now since I have stepped into this institution and honestly I had no idea that I was going to learn so much. From learning tables to learning how to actually face situations. I still remember every time having goose bumps seeing the office bearers leading their groups holding their flags with pride again I experienced the same situation but this time I WAS THE ONE HOLDING THE FLAG! I was elected as the captain of my group. Each and every moment on the investiture ceremony felt like a DREAM. I could see my parents having a bright smile, I saw people cheering for me, With pride and honour as I marched forward I also knew there was a fair amount of responsibilities also coming my way. There were times where I enjoyed and celebrated, times where I almost gave up. This journey was not like low-hanging- fruits .it took all the sweat, resoluteness, boldness and complete hard work. It is important to remember that you make mistakes. Mistakes do not

make you. Challenger were difficult but a big shout out to my vice captain –Sindhu Reddy who was always beside me to booster up.

Another challenge was that my bestest friend had to be my toughest competitor. This journey made me experience Peaks and Valley but you do not realize the value of light until you face darkness. My message to my juniors would be. That failure is not a problem but giving up is! Believe in perseverance, Try new opportunities! My sincere thanks to our principal Rev Sr. Annapurna for considering me worthy. My special gratitude towards my Family members, teachers, non teaching staff, and friends for instilling confidence in me.

As I walk out through the gates of this Institution, I shall cherish all 13 years of my memories and indelible moments forever!

JOURNEY OF SUPER INTENDANCE

The academic year 2022-23 began. Naturally the question that arose in everybody's mind was about the cabinet members. As a kid, I had always looked up to be a part of school cabinet as an honorable and responsible one.

I remember the day I completed my speech with other nominees and sat with fingers crossed awaiting for the result of who will be the new LOTUS Vice captain Then came the most awaited moment ,when Rev. Sr. Annapurna called out G.SINDHU REDDY .I was so thrilled and the cheers of my friends indicated their hope in me.

The investiture ceremony. This day was an amazing day as I was proclaimed for the reputable post as lotus Vice captain for the academic year 2022-23.I was really overwhelmed with joy to see my parents as well as my friends being so proud of me.

Representing a group and leading it forward was not an easy job. My journey as vice captain was filled with happiness ,inexpressible joy and also many twists and turns .The war was on with four houses trying for the top position .In every competition all the groups gave their best to perform well, though we knew they can only be one winner but still we were always happy for each other .

Frankly speaking ,This experience of being vice captain taught me many things with Bitter and sweet moments which taught me to face numerous challenges and improved my leadership skills, my team work and the determination helped me to win for my group. Every failure brought me depression and tears into my eyes. However my team members were always there to support me all through. Crossing all the hurdles to the path of success left me many unforgettable experience and this would not be possible without my captain Deepali chattwal. St.Ann's Christmas celebration was a major successful event organized by the group of lotus and this day was so splendid. I can't forget the days and time spent with all the cabinet members .Nothing can substitute this happiness and fun that we had in school.

I will always cherish the days as vice captain as I it gave me a clear picture of who I am. This was a wonderful and awesome experience.

'OPPORTUNITIES NEVER KNOCK TWICE'

I was enrolled in this school in grade two .I was an introvert, all of my middle school I just had a few friends and I never tried to make more. So, unlike the other cabinet members it was never a dream for me to be in the cabinet. Back then my classmates used to always discuss about how they wanted to be in the cabinet, I never participated in those conversations, but little did I know is that I would get the opportunity to lead my group.

Firstly, I offer my heartfelt gratitude to our principal Rev. Sr. Annapurna and my teachers for placing their faith in me and nominating me for this prestigious post. I was over the moon when I was declared and elected as the Roses captain for the academic year 2022-23. On 25th June was the Investiture Ceremony, I felt honored when Rev. Sr. Annapurna coveted the sash and gave me the flag .

It felt like a dream to lead the group and hold the flag. There were days when I would doubt whether I really deserved this post but by the end of the day my group was always there to cheer me up, it was their faith in me that kept me moving. A huge thanks to teachers who always supported me and gave a boost in my confidence when I needed it.

I also thank my vice- captain, Rithika Reddy who was a pillar of support throughout this journey. Though playful and implied. She doesn't forget her responsibilities. This journey would've been nothing without her. I also thank my friends,

for being there for me throughout this journey. It always leaves me surprised, how a single conversation with them fills me with positivity.

There are infinite numbers between 0 and 1 and of course there is a bigger infinite set of numbers between 0 and a million. Some infinities are bigger than other infinities. I wish I had more numbers with St. Ann's than I got, but I'm forever grateful for our little infinity within the numbered days .

Lastly, my message to my juniors is that opportunities never knock twice. Never miss your opportunities because you think you are not good enough, trust me if you get the opportunity it is your chance to prove that you are deserving enough. If I could do it, you can do it too ! Do what you love because there are always people to judge you but remember ' those who mind don't matter, and those who matter don't mind .Love yourself and other . I believe the group banner will keep flying high with your cooperation and support.

Thank you ,

May the odds ever be in our favor!

DAZZLING CHAPTER OF MY SCHOOLING BOOK

For me being able to study in St Ann's is a prestigious thing ,but being a part of school cabinet is truly a blessing .Because this new phase taught me so much that book could never do.

I still remember the day when cabinet election results were announced by our principal Rev. Sr. Annapurna. I was overwhelmed when my name was announced as Roses vice captain for the academic year 2022-23 Above this I was more curious to give my best and work for the group After this there came the most special day that is the investiture ceremony Again it was the day when I and my family soaked in joy.

This great responsibility gave me aplomb to balance my studies as well as duties as Vice-captain. It also gave me an opportunity to exhibit my talent. Above all it helped me to extend my wings and fly higher.

Never the less, all these would have been unattainable without the support of our Principal, beloved teachers ,family fellow friends and cabinet crew and special mention to my captain Amulya and to the house of roses for always being so passionate and co-coordinating to help the group march forwarded.

Last but not the least. I extend my heartfelt gratitude to this prestigious institution St. Ann's High School Bolarum. This would not have been possible without the right guidance of our principal, teacher and friends. Thank you for helping me build the best version of myself, and to be a better leader.

I would like to conclude that once the storm is over you won't remember how you made it through, how you managed to survive. You won't even be sure whether the storm is really over. But one thing is certain when you come out of the storm you won't be the same person who walked in, that's what is leadership is all about leading the group through all the adversities and challenges.

EMBRACE AND ENHANCE YOURSELF

'To learn and guide to build right qualities is what **Leadership** is all about.'

The day 1st JUNE 2022, has been the most remarkable one. It was the day of elections there was noise in the auditorium until I heard our Principal Rev. Sr. Annapurna announcing the results. The loud applaud from the peers made me overwhelm as it was the most awaited moment to serve as – The Sharmrocks captain. My fifteenth birthday was special as I was celebrating my birthday and also celebrating the success of my secret desire, to become the captain of my group.

Then came the D-day, The Investiture ceremony. I was on cloud nine, as it was a moment of pride for me as well as my family members. It was indeed a privilege to hold the flag, wear the sash and take the oath as office bearers. I thank god almighty for his blessings and guiding me through. I thank my family members for nurturing me all through the year with their heart and soul. The reason I am a thriving person today and throughout will definitely be because of all the blessing, I have received from Staff and Management of the school. I am grateful to our principal and teachers for believing in my caliber and shaping me in to a strong person.

This journey was indeed a learning experience for me 'Experience is a cruel teacher'. In my 12 years of schooling, from the day I stepped in the school I have been experiential learning and all these years taught me rich values which I will definitely cherish.

We as a group proved that with commitment, corporation and coordination, can change 'Impossible into I am possible.' I understood that every cloud has a silver lining and to empire the equilibrium between my responsibilities and emotions other challenge was that 'My bestest friend – Deepali had to be my toughest competitor.

My vice –captain Sannidhi is multi-talented. She handled her responsibilities so well and gave her best in coordination and execution. She has equally contributed for the victory of our group. We believed that 'simplicity is the ultimate sophistication.'

Thanking my group members, juniors and my friends who stood by my side through thick and thin. I am thankful for the cabinet members for their love and support.

My advice to my juniors is to have faith in god, believe in yourself and you will see wonders. Thus I conclude dream higher, work harder and do what you love.

With all the self love, I end this journey as a captain of my group.

Thank you

St. Ann's you will never be forgotten.

Experience on being a vice captain 2022-23

Giving my 100%

'Leadership is an action, not a position '

It was the morning of 15th JUNE 2022, the day of the school cabinet elections, I was very nervous after the voting session was done, silence fell over the entire auditorium as our principal announced the results and I was praying to god ,hoping she would read my name, and there it was, she called out . 'The shamrocks vice –captain is Sri Sannidhi !' I was all smiles when I joined the others on the stage, that day was a very memorable one and still is. Being a member of the cabinet was a dream come true. Investiture ceremony was a day of pride rush in my family. As the principal pinned my badge I felt a joy filled with pride rush in my body. Being a vice captain gave me a lot of experience about many things in life, it made me realize that life, it made me realize that life is not a joyride there are ups and downs, there were days where we cried, fought, but the next day we all were friends and fellow rivals back again. The job, the position of the vice captain was not a cakewalk, there were moments were I almost felt like giving up, but the others encourage me, helped me get through. It taught me the importance of teamwork, focus, hard work, responsibility, friendship and many more important values in life. If I had given up that day, then I would not have been here sharing my experience with you'll. It has moulded me into the person I am now. I always tried to deliver my 100% IN WHATEVER I DO. It sure was a tough time to manage the work given and studies, but I never got discouraged and tried my best. The best programs were during the teacher's day and the annual day. I would love to thank my Principal Rev. Sr. Annapurna for bringing the best out of me and always encouraging me to think outside the box, I would also extend my gratitude to my teachers, group members for all the support they've given throughout my journey. I would also thank my captain M. Yeshwanthi who is the most enthusiastic and she always had my back and got me covered. This journey would have been incomplete without her. Thank you all for this memorable, important and the best experience of my life. I hope my successors are going to give their best in keeping the school and the group banner flying high .

Thank you and God Bless!

LITTLE THINGS GET UNNOTICED

Have you ever thought about the things that have brought you to where you are today? Or that your life would have been drastically changed if you had followed a different path or taken another or had not met a particular person in life?

Sometimes we get so caught up in trying to accomplish something big, that we fail to notice the little things that give life its magic.

Small is the new big. Small actions make up our attitude, behavior and habits. Small words make up our thoughts. Small things grow and are more efficient overtime. The little things we overlook buildup to the big ones.

Often little things are ignored and not valued but little things do matter. Small acts of love and kindness everyday can mean so much more than extravagant gestures. The little things can make all the difference allowing us to feel appreciated, and enjoy a more fulfilled life together.

We need to appreciate little things in life. Appreciating little things means that you focus your attention on what nurtures you and sustains you in life, On every thing that brings you even the smallest amount of pleasure. It also means practicing gratitude by noticing these everyday things that we take for granted so easily.

Remember,

It's the small droplets of water that can make a mighty ocean

Its seconds which combine, to form hours, days and years.

It's the tiny pebbles on river bed that filter the water that flows.

It's the little words of love, that can move a stony heart.

It's the tiny cell which makes up our life.

Without thumb, the fingers are of little use.

It's the little deeds of kindness, that makes this world heaven.

Value the little things in life because one day you'll look back and realize they were the big ones....

"A STITCH IN TIME, SAVES NINE"

A stitch in time saves nine is a wise saying. This phrase refers to a hole in a cloth, which will get bigger if not fixed in time. It means that a timely effort will prevent more work later. It also means

"prevention is better than cure." Furthermore, it also tells us that procrastination is a bad habit. Hence, if a problem exists, then one must fix it immediately. If not fixed in time, then even more problems can arise.

The concept of "A stitch in time, saves nine" is very helpful and effective in day-to-day life. It shows how time is a very limited. Another advantage is less effort. Dealing with a problem early requires a certain amount of effort. However, with delay the problem becomes more ugly. Than it was, and it requires much more effort. Thus, this concept saves effort. It also helps in better

decision making. Following this concept means that a person has sufficient time to handle a problem. In conclusion, "A stitch in time saves nine", Is extremely essential to follow. Furthermore, one who follows it will always be successful.

TRIOS (FRIENDSHIP)

Talking about those
TRIOS
Who sat in three
different rows .
I wish that I could be an
octopus ,
Which has three hearts.
We don't need to worry ,
Because where we fall we
know how to land.

We are the stars tonight,
So watch us , bring the fire and set
the night alight
Group of three best friends who are close,
Like thorns and leaves and petals in rose
Want a real meaning of friends?
It is the one which never ends .

BREAKING STEREOTYPES

She tried to speak her mind,
Follow her dreams,
Break the stereotype,
But then a voice echoed "What would they
say ?"
She never really understood who they
were ...,
But apparently they were every where
Finally she could walk past her fears,
Followed her dreams despite their approval
Broke the chains as she realized for her it
was crucial
She was not the best , but getting there
slowly
And that 's how they were never a part
Of her story .

THE WONDER OF NATURE

Nature! Nature! so lush and green,
The wonder of wonder anyone has seen ,
So cool ,calm and full of life
Makes us forget full of trees ,
Fluttering and dancing in the breeze.
Cut them down and construct towers ,
Wait for ages to get a shower
The birds that soar high in the sky,
can we imitate them however hard we try ,
learn to wonder and gasp at things
and see the happiness it brings
we have got such wonderful things,
do what you can and save a wing
so that our children in future
can see the things we have nurtured

When the bird has died Ants eats it .

But only one matchstick is needed

SUCCESS IS SWEET BUT ITS SECRET IS SWEAT

Success is sweet but its secret is sweat Success in any thing or any field be it education, dance ,singing ,sports , hobbies or our goal in life always is sweet, but the only route to this success is sweat . Hard work may be a bitter fruit ,but has lot of benefits Sweat may not smell good but definitely gives good results .We only need to be determined towards what we going to do and focus on it with all our heart in it.

Five points to get successful

- Work hard and never depend on someone
- BE honest to others and yourself
- Never be jealous of some one
- Never think negative, always be positive
- Fall in love with whatever you are going to do let it be studies , sports or any other things in life .

Always remember one point . the path of hard work is the way to legendry because every legend has sweated a lot to get success.

SOIL – THE DIVINE GIFT FOR US BY NATURE

Soil , oh soil , beneath our feet ,
The foundation of life , so rich and sweet ,
A Treasure trove of nutrients and more ,
Supporting the growth that we adore .

From tiny seeds , to towering trees,
Soil gives life to all that we see ,
A home for creatures , large and small, A
foundation for plants ,standing tall.

With every rain , and every sun ,
The soil transforms , a cycle began,
But soil is fragile , it needs our care ,
To keep it healthy , so life can thrive there .

So let us cherish , this gift from above ,
The soil that sustains us , with all its love
For without it , we could not be,
Soil , oh soil, we thank thee.

OUR CLASS 9 B ECHOES OF OUR TIME

In class 9B , oh what a scene ,
A mix of personality ,quite dream,
There are the quiet ones who hardly speak,
And the loud ones who love to wreak,
Some are shy and keep to themselves,
While other entertain with jokes and gets,
A few are always on their tone ,
Ignoring the teacher's monotone,
In class 9B , there's never a dull day,
With debates and discussions on display
Maths and science , history and art
All subjects covered with a spark ,
But when it's time to hit the books,
We knuckle down with serious looks,
Class 9B , we're quite the team
with laughter , fun and work too
we'll make it through the year , it's true !

We work together, play ,laugh and cry
And always do our best to try
We do what miss tells us to do
For that always helps us get through
We try to keep ourselves busy
At each task be it tough or easy
Writing , reading ,drawing and acting
Adding , subtracting and multiplying
And we try to finish up
As soon as possible all our work
For school can be fun
When all the work's are done
And we smile and we play
Being happy and joyful
Without any sorrow when miss had a smile
On her face all the while
So don't you feel how wonderful 8C is ?
All the students here are as good as can be
We are all united like one family .

we all are Happy as you can see .

LAUGHTER

Laughter is the best medicine .
Now -a -days its rarely seen,
Due to stress and strain that's been.
Laughter is for both young and old ,
Laughter can help forget our sorrow and be bold.
Laughter is the most precious medicine ,
Laughter is safer than wine .
Laughter heals all our ills,
Causes us no harm or increase of bills .
Always find a reason to laugh,
It may not add years to your life , But life to your years .
Its said "laughing burns calories".
But why the laughing buddha has a fat tummy ?
Don't you think its very funny .
Laugh, the world laughs with you ,
Weep, and you weep alone .
All that I'm after ,
Is a life full of laughter.

We come here hiding
Dreams behind the smile,
But, we are leaving , hiding .
Tears behind the same smile .
We come here with a
bunch of Queries,
but we are leaving with a
bunch of memories
we come here and shift
to friends from strangers ,
but we are leaving and shifting
again from friends to strangers

we come here and wanted marks in exams
which will eventually fade away
but, we are leaving with foot prints of
memories
which will never fade away
we come here saying, we will live
without creating new bonds ,
but we are leaving and now we
can't live without these bonds...

SUMMER

The warmth on my skin ,
The heat on my face ,
Humidity in the air,
The sweat after a race .
Longer days with fun and joy ,
Is what summer brings .
The sky in a brilliant shade of blue ,
And so many more things .
The cold, tingling feeling of the pool,
As our skin gives a sigh of relief .

Our minds thinking of the lazy days,
When no body is in grief.
The sun shines merrily above the horizon,
Sharing its heat and light .
A smile on everybody's face ,
As our hearts are filled with delight !

DEAR SOCIETY, MEN CAN CRY TOO...

We live in a society where men are pictured as strong and powerful .We are living in the age of feminism as soon as a man breaks down ,we don't share a second before tearing him womanish or unmanly .Living in a patriarchal society ,our upbringing has taught us that

since men have to protect their families ,they have to be strong . This idea has taught us that men have to be strong and emotionless .Men are told not to cry because nobody would like to see a boy cry.”

Stop acting like a girl “

“Real men don't cry” “Be a man” “Man up”. Every boy has heard these at some point in his life, all of which has led him to suppress his feeling. Not showing emotions is a part of the opposite gender roles, assigned to men by the society. Gradually boys start to negate their feelings..... But ..., I believe that MEN and WOMEN are almost equal in everything. Women are capable of doing most of the

things men can do .Therefore, we need to understand that the idea of suppressing emotions is not at all manly , it is harmful !

GOOD THINGS TAKE TIME

Every person has some aspiration to achieve , but only few are able to realize them. All of us put in efforts , allegiance and inclination towards our desires , how ever far fetched they might seen .So what makes some of them different from the others?

Believe , that's just what it needs to push away every hindrance from your way and keep moving on, throughout the centuries. It has been happening ; people keep commenting and judging others ,seeing them fail .Some will say , that you can't and all your struggle isn't worth it ; they will try to prove them to be light .Now the question is ,do you believe in what

they say or will you believe in yourself instead to accomplish your dream and goals?

Doubt on oneself is more dangerous than any other poison on earth it might not kill you : but it certainly will kill all your dreams. Without which your identity will eventually get lost in mist . if you choose to hear from others , you are engaging in what is often called a self - fulfilling prophecy .You start to accept that you are what others say you are .One should never allow others decide their destiny, because there's only one who can alter it, and its ,you. Every aspiration that one wants to achieve doesn't come by so easily and so soon . It takes time for

something good to happen , and it's only a matter of attitude that one holds . Bring patient and doing what needs to be done in the right manner will eventually do wonders. Even a tree doesn't grow to it's fullest in a single day . Everything happens in small steps and slowly. First the seed needs to be planted ; then it needs to be watered till it gets into a sapling and finally after years of nurture , the tree is full grown and spreads it's roots all beneath the soil . In the same way , we need to sort out what we really want in our lives , and prepare for the hardships that we might face ; be focused on the journey till we reach the destination .

MAGIC OF MUSIC

The magic of music is a wondrous thing, it lifts us up and makes our hearts sing, with melodies that soar and rhythms that groove , it can make us laugh, cry and always move.

It has the power to transport us to another place ,

To lift us up when were feeling down and face ,

It can heal our heart and brings us peace ,

And make our worries and troubles cease.

From classical to hip-hop , country to rock ,

Music can speak to our soul and unlock,

and bring us together happy and glad.

Its power is limitless , it reaches vast ,

It can make us forget about the past,

And bring us to a brighter future,

A place of hope love and laughter.

Solets celebrate the magic of music,

And all the joy and wonder it brings,

MIRROR MIRROR ON THE WALL...

“Mirror on the wall, whose the greatest of them all?”

“We all know that the queen in snow white asks the mirror on who is the most “beautiful in that land “. if people had a mirror like that , I'm sure they would ask for who is the greatest in this world .Its such a simple question , isn't it ?But it is a question that not even the almighty , Google can answer.

So, who exactly is the greatest and how does one even become great ? well , on the internet where information is quite prevalent , it leads us to so many experts . The question is , who is correct? That simple ! All of them are .But the most important thing to become the best, is nothing but commitment .If you're not committed to do something ,What exactly is the point of doing it ?

Never give up .The nature never gave up in supplying oxygen even with less trees. Keep reminding yourself “Nobody believes in you ! You lost again and again . The lights are cut off. But you still look at your dream . It's not over .Until !WIN! . “ Kid who know nothing.” That 's not who you are .Being free isn't being reckless, It means that you do things you can't give up seriously !

If your will is strong , your “MIRROR “ will answer that “You “ are the greatest of all.

JUST BECAUSE OF THE WINDOW

I get scared in the class
to take out my iron scale
because it reflects sunlight
into the teacher's sight

Just because of the open window
Just because of the open window
the flowering of mango tree in spring
and the coconut leaves that swing
Inspire me to sing

a new song each day
Just because of the open window
Just because of the open window
The fast -moving vehicle on the road
Encourage me to think more
About the view out of the window
Which is clear to my eyes

Just because of the open window
Just because of the open window
The sky is blue and sometimes green
The trees have painted out the scene
The bees go buzzing to
Transporting Honey from flower to hive
Just because of the open window
Just because of the open window

NEVER TRUST A MIRROR

Never trust a mirror ,
For a mirror always lies ,
It makes you think that all you're worth ,
Can be seen from the outside .
Never trust a mirror,
It only show's you what's skin deep ,
You can't see how your eyelids flutter ,
When you're drifting off to sleep ,
It doesn't show you what the world sees,
When you're only being you ,
Or how your eyes light up
When you're loving what you do,
It doesn't capture your smile , where on-one
else can see,
And your reflection
cannot tell you ,
everything you mean
to me.
Never trust a mirror ,
For it only show your
skin , and if you
think it dedicates
Your worth , It's time
you looked within .

THE LAST BENCH

A place far away from classroom;
A place which is mentally absent;
A place where imagination bloom ,
A place to know one's hidden talent,
Ten meters' of aloofness from teacher's table
Ten miles away from the academic label ;
Last benchers psyche really worth ,
They're kites flying up in sky but strings
attached to earth;
Strings of fear –for attendance grips them
inside,
They dream to go high but ties ;
Army men sitting in front benches to protect
him,
All notes scribbled they can guarantee
Sitting at the last bench like king on his
throne,
She would be an exceptional creature ever
known ;
Last bench species is already a gold ,
Their stories are untold,
Please don't hold.....

PARTICIPATION IS IMPORTANT THAN WINNING

In today's competitive world, everyone is eager to win the race .NO one is ready to accept failure in life. But , they don't realize that winning is not important but participating and learning things is. Success is not always about winning its about being happy with our abilities .My opinion is that if you don't see yourself as a winner, then you cannot perform as a winner . The struggle which we do to win something is important . sometimes losing is also important and beneficial to us . Participating helps the person to find out her own strength and weakness .It is not necessary to win every time you participate .Every experience teaches you something which makes you more mature and capable of dealing with problems .If you keep on participating in different events then surely one day you will get the result of your hard work, it does not matter whether you win or lose , all that matters is the courage to participate .participation provides us a platform to challenge ourselves .
So, whatever be the result , just focus on what you've learned and how to keep on improving .

PLEASURES OF COUNTRY LIFE ...

The poets have been singing in praises of pleasures of country life since times .Still people run to cities in every country. Charms of country life seem to have no attraction for them. Villages justify the remark of Couper “God made the country and manmade the town.” The naturalness and simplicity of village makes us call the village the creation of god.” The life in the country is very simple and innocent .Perfect peace rules here .The retired people love to pass remaining days of their life in the country .The occupations of people are very simple .Nearly all of them are agriculturists. All the families find some work .So none of them are idle. The whole work in the villages is done in healthy and pleasant surroundings . The fresh air , birds , singing their sweet notes of peace and joy remove the fatigue of hard work.
There are other charms and advantages .In a village we can enjoy the beauty and glory of nature . Here we can experience eye. Catchy moments like sunrise and sunset .The charming beauty of the meadows would fill us with joy . The babbling of river , the soft lowing of lows and rural games of children are things to be admired . The country life has an another boon for us .It provides wholesome and pure food .Further in the country there is no smoke of chimneys and factories so the air is quite pure .
The relations of the villages with one another are sweet and harmonious . They are free from the strife of city life .

Grace The Unmerited Favour of God

THE FEAST OF OUR PATRONESS – ST ANN

“ In god's garden of grace , even a broken tree can bear fruit.”

Due to his grace , even the things which were beyond our capabilities were achieved by us. They say 'Mighty things seem little when many hands join together' in the same way the most significant event like the feast of our patroness ST. ANN was successfully hosted by us with the co-operation of our group members and the guidance of our teachers .

The program began with the blessing of our Lord Almighty with holy mass themed “Your grace – Renew, Revive and Restore us” Father Prince Xavier graced the occasion and surrendered all of us unto the lord through the prayer which derived us into the ecstasy of spirituality-the holy mass was followed by the feast celebrations themed “Grace –The unmerited favor of God” making us realize about the grace we experience from God we were extremely delighted with the presence of our chief guest Rev. Sr Aliamma who spared time off her busy schedule and made our event more blissful . Her words of wisdom were a source of inspiration for us which bought a change in our thinking process.

St. Ann's is Patroness of our school. She is the model of all Mothers and Educator's .She is also the patron saint of congregation of sisters of St. Ann's. The event began with prayer service which invoked us with the blessings of God. The prayer service was continued with singing which hoded the whole place with melody. The dances were performed by the students of group of daffodils which were indeed spectacular .A tableau skit which displayed the life of our patroness-St Ann her early life her virtues were dramatically shown. HAPPY INDEPENDENCE DAY

Aazadi ka amrit Mohotsav -A day to remember or red letter day .

Independence of India from British rule , and also it is a day to commemorate the emergence of India as a free nation .

Azadi ka Amrit Mahotsav is a celebration of struggle for independence. The ideas of 75 years.

The achievements of 75 years , actions of 75 years and resolution of 5 years. I have been in this school from 12 years, there were many events , programs and celebrations but the independence Day of the year

2022-23 is indeed very special to me not just because we hosted it but also because I got an opportunity, which very few would get especially, to celebrate and to be a the part of platinum jubilee as the captain of the group.

With “ Freedom in mind , Faith in the words and pride in our souls we have started the program with march past .It was a moment of pride for me to lead my group as a shamrocks captain .The students of all the groups marched enthusiastically with zeal and determination .Our Chief Guest for the day was Group Captain Joachim Joseph . The Tiranga is not only about waving it on independence Day but also the emotion , the feeling to respect it every single day of the year.

'Bold stripes , Bright stars and brave heart.' I salute to the freedom fighters who sacrificed their lives selflessly for the freedom our country. They are the epitome of patriotism.

The 75th Independence day is a memorable and significant day for me I will cherish those there moments forever .

Thank you and god bless

Examination what a confusion

I was in tension
Because of my examination
In English there was comprehension
In Hindi there was composition
In Maths there was application
In Physics there was reflection
In Chemistry there was distillation
In Biology there was respiration
In Geography there was occupation
In History there
was Civilization
All together it was
a big confusion
Even then I did
my examination
So dear friends, I
need to mention,
despite the
confusion and commotion, don't miss your

Life is a celebration

"Celebration is life's frosting. Isn't frosting the best part of the cake?"

Life is a celebration of happy moments. It is an attitude that brings out the charm and excitement in people. But we live life in a constant rush of doing things and never really stop to count and reflect our blessings. When life becomes overwhelming, it becomes easy to stay in a monotonous routine. Let's not get stagnant. Life is a celebration when you choose to celebrate all of it. To begin with, wake up with a grateful heart that will feed every corner of your life with bliss. Practice inculcating peace and happiness every day because it can be so empowering. And the best way to master it is to fake it until you make it. Big or small, any celebration is about taking the time to notice the good stuff in your life. After all, what is life, if we don't stop and reflect on it? Let's use it to create a life that feels good on the inside and outside too. Life is a celebration - if we are mindful to enjoy it in the present. Even though times are strange, we can still share, connect and celebrate it to the fullest.

Lesson we learn from insignificant things - Garden Waste

How often have you put your imagination to test with regard to insignificant things we believe don't matter to the world but subsequently learn that they are significant and serve an important purpose to mankind?

Let's begin with banana, a fruit enjoyed by many. Most of us don't think twice while peeling a banana and discarding the thick, yellow skin, but have you ever wondered about the uses of a banana peel or whether or not it's safe to eat?

In recent years, scientists have become more interested in the benefits of agricultural waste and have some things typically deemed trash can be put into use. While most people throw out the peel when eating a banana it can actually be used for several purposes. Peels can help boost the health of your skin, hair and gums Plus, they can be added to your garden; used to purify water and consumed for an extra boost of fibre.

Every morning we hear the workers sweeping are neighbourhood and streets of dry leaves. What we have often observed is that these dry leaves are collected in garbage bins and later burnt in confined area since it does not serve any purpose. But do you know that dry leaves can also become an important ingredient in a good compost, which is better than chemical fertilizers, facilitates weeding, attracts worms and helps prevent diseases.

As the famous Albert Einstein once said, "The only mistake in life is the lesson not learnt."

Smile

What is the precious thing which you give others free? Yes, it is a smile.

Smile costs nothing, but it is very valuable to others.

A small smile is enough to make a big group of friends.

In our hearts, there are sorrows and worries, but a smile keeps them away.

Nobody likes to see a grumpy face. A person with a sad or serious face is unwelcomed everywhere.

But always smiling and giggling is also not the proper way of manners. People may make fun of you. We have every reason to smile. But still there is nothing like a broad smile.

Do you know?

The longest word in English is 'SmileS', as it has the word 'MILE' in it. So let us smile.

Internet Curbs Creativity

According to me, people use the internet as a cheat code, an easy to get answers. However, as we've always been told by our elders "Hard work is the only way to success."

One might say that the internet is a smart way but I beg to differ with an example. Music is pure creativity. Software is only used to modify it, but the main source of information is our good old grey matter (brain). Yes we do get a lot of information from the internet, but the main source again, being humans, and not everything which is uploaded on the internet is authentic. So I would like to conclude my belief in the old school ways are better than internet.

The Importance Of Reading Books

"A child who reads will be an adult who thinks."

Beyond reading, because you have to, the importance of reading cannot go unnoticed. Reading is a great value because it provides many benefits. Reading can teach values. Whether you read from a religious text or secular text, you can learn and teach the difference between right and wrong and explore various cultural perspectives and ways of life. Reading has also been

proven to lower stress as it increases relaxation. When the brain is fully focused on a single task like reading, the reader gets to benefit from meditative qualities that reduces stress levels. Reading also has the potential to boost your level of creativity. Reading opens up doors to new worlds, provides entertainment, boosting the imagination and has positive neurological and psychological benefits. So, if anyone ever asks, or you stop to think, "Why is reading important." You are now well-read on the subject to provide a detailed response and share your own purpose of reading.

Practicing Positivity

Good manners open the door to new conversations with people and opportunities in life. Practicing good manners is necessary to be great and noble in society. It maintains the positivity in our soul and mind. I would say that politeness, courtesy and kindness have become insignificant things in today's world.

Opening doors for strangers. Helping someone in a small way. Saying "Please" "Thank you" and " You are welcome" are small things but that make a big difference to people. Gratitude, patience, politeness, kindness, consideration to strangers as to those we love or who care for us, is the most important thing that holds society together. It seems minor, meaningless and insignificant but it is not. Following Good manners not only increase the respect in people's mind but also makes us pleasant from inside practicing good manners takes nothing but gives much more than all things throughout the life.

Women Empowerment

Women empowerment refers to the activities undertaken to improve the social, economic and political status of women in the world. The female gender has face subjugation and systematic oppression throughout history, and the situations call for improvement in their condition in society. Women empowerment is

an important thing that needs to be accomplished. The rights and freedom that women have today are the results of the

fighters that the empowered women fought against it. The acts of these empowered women show that it is that women, too can enjoy all the freedoms and rights. India is a country that lacks women empowerment. The girls in India don't get access to higher education. Instead, the girls are married off at a young age. Child marriage is prevalent in the country. The women cannot pursue a career of their own because they don't have an education. There are various ways in which women empowerment can happen in the country. Providing proper education to a girl child is the main agent of women empowerment. Empowered women can contribute to nation building by joining various sectors.

Zero

Zero is both a number and a numerical digit. Though it holds no value of its own but it is the soul reason for the existence of whole number system. Zero is also used as a place holder in place value system. Zero is one of the two digits used in binary coding. Zero(0) is a number representing an empty quantity. In place value notation such as the Hindu-Arabic numeral system, zero(0) also serves as a placeholder numerical digit, which works by multiplying digits to the left of zero by the radix, usually by 10. Zero helps people tell the difference between numbers that would otherwise look the same. For example, 4 and 40 look the same without zero even though they have different values. In the number 603 the numeral means there are 6 hundred no tens and 3 ones. Zero help us understand that we can use Maths to think about things that have no counterpart in a physical lived experience. Imaginary numbers don't exist but are creation to understanding electrical systems. Zero also helps us understand its antithesis, infinity in all of its extreme weirdness.

Lesson from insignificant things

An Insignificant little creature keeps restlessly running close to the wall, trying to climb up, with a lot of effort.

Ants, although tiny creatures and mostly seen as pests, are one of the most hard working, diligent and focused creatures on the earth. Ants are able to carry up to 50 times their own body weight. Their super strength is particularly useful for hauling food and defending their nest. Worker-carpenter ants may travel up to 100 yards to gather food, not too shabby for an insect that's only about an inch long. Ants are thought to be the most hard working insect because of their exceptional skills. They work with great dedication in order to collect food for them and also know the trick to collect and store food for later use. Ants also build their own house.

The ant is one of the world's strongest creatures in relation to its size. Ants even work together, to move bigger objects as a group and carry leaves and twigs back to the nest. Though ants are small and one of the insignificant things, they are hard working insects. Like ants, we too need to learn to be hard working.

Unexpected interesting invention creepy cat eye inspire road Markers

The safety road markers were inspired by a cat's eyes reflecting headlights. 'Eyeshine' most familiar occurs in variety of animals from moths to whales. It is caused by the 'Tapetum, Lucidum' a reflective layer behind the photosensitive part of the eye which bounces photons back giving them a second chance to be seen.

The innovator Percy Shaw was a road mentor who was aware of the dangers of driving along unlit, often fog bound roads. One night in 1933, he was driving his car when his headlights reflected the eyes of a cat. This inspired him to invent a reflector. 70 years after Shaw's invention, a new generation of cat eye's have been developed, called intelligent road studs that can detect different weather conditions also. This is one of the greatest innovation which is helping us to avoid danger or accidents on road which is influenced by nature.

Sculptor

A Statue maker is not valuable in a human's life. We just look down if we find a sculptor. We do not give respect to him. A sculptor is always ill-treated, looked down, paid less and his job is always considered as an inferior job by the people in the society.

But the statues, idols, carvings and sculptures made by him are worshipped in religious places as god or goddesses.

They all are very valuable and insignificant in our life. Many statues of great freedom fighters and great people are sculptured very beautifully by the sculptor, but though the sculptors are not valued in a society, the idols made by them are very much valued in our lives. There are many catchy slogans

and quotes related to the life of a sculptor given by many people such as "Art of making a sculpture is not a job, it is a way of life."

Every block of stone has a statue inside it and it is the task of the sculpture to discover it. Sculpture is like archaeology, you dig it you and you find something.

As a future citizen of our country we need to respect and value every person whether the person is in a superior job or inferior job, doesn't matter. Let's give a message to society to not only value the idols made by sculptor but also value sculptor.

The Beauty Of A Butterfly

If anything that God has given me in this world is important then nothing is as precious as the life on earth. Depending on someone's point of view some things may seem insignificant. But through another person's view it may be the most valuable thing. There are a lot of things in nature that are small and insignificant, for instance the beautiful butterfly. They are not only very beautiful but also ordinary. But did you know, that these marvelous creatures were just ugly caterpillars before.

Butterflies have four stages of development: the egg, the larva (caterpillar) stage, the pupa stage and the adult stage. During the pupal stage, there is a lot of change going on, when the caterpillar is turning into a beautiful butterfly. The butterfly tears down the cocoon and flies happily. Have you expected such a small creature to have such a big story?

We can be like this butterflies always beautiful and transforming ourselves from bad into good. We should always work hard to change ourself into something more beautiful. Without struggles in life, we never grow stronger. "You have got to be a caterpillar before you are a butterfly." A butterfly will always remind us that there is always beauty at the end of pain.

Insignificant things of our life

God is Good

God is a good, but we don't value or trust him anymore. Anything related to God is so very boring these days for our generation. God has some special bond with humans but we don't have that now. Nowadays we are becoming more modern, selfish and ungrateful. We have reached a point where we are not looking for God even during hard days but are getting attracted to bad things.

Devil is Bad

Devil is a bad, which we easily get connected to but still get scared of. For example, evil films are very much popular and entertaining to the society rather than good movies but still are scared to watch those movies alone. The society easily believes in bad things as they are much more entertaining be it in the films and real life evil incidents.

God versus Devil

We humans believe that we are much more than God which is an untrue fact, evil is something which is bad and God is good. That's why we always say that God will always win over evil. Hence for the good things to happen in our lives we must believe, trust and follow His will always. God wants to help us in leading a successful life.

A true fact is that the good things are hard to follow and bad things are easy and comfortable but bad things tends to throw us into trouble. These habits may destroy our future.

If there is God, there is evil also. If we are good to the people around who try to attack us with their bad things we may change them in realising their mistakes. So my dear friends, I conclude by saying that believe God and do good things which will help you in your career and for your future. Insignificant things of our life

Zero Is A Hero

Zero was invented by Aryabhatta. This was one of the greatest invention in Mathematics. But earlier, Roman numbers didn't have zero in them. If there was no zero there would be no Algebra, Computer etc. Zero is very important in Mathematics and calculations etc.

The invention of zero simplified calculations even Mathematicians invented many methods like Algebra, addition, fractions and many more. Having no zero would unleash confusion in the world. Mathematics would be completely different. Zero is very important and without it numbers are left incomplete. Zero as place holder had lots of value and without it billion would simply be '1' A zero is a part of our daily life but we don't recognise it. Zero had an important role in almost everything in our life. Zero doesn't have any value by itself but when it is placed beside any number it increases many times.

Memories Of School Life

School life is the best life. Anyone who has been a student, knows what school life is all about. It is the golden period of learning and it truly impacts a student's life. The importance of school life cannot be neglected and it is a vital formative experience for children and students alike. School represents an important learning experience which teaches us self confidence, motivation and the will to always give our best. When we go to school, the first memory is of meeting our friends.

School days really are the best days of our lives and I have only good memories of my school days. For me, these days are like an invaluable treasure. So, I can still remember my first day at school and the memories of this day are still vivid. I can still feel how warmly I was welcomed at the school. Such a warm

welcome can truly define a child's school experience in the best way possible. As a schoolgirl, I learned to cooperate and got motivated and shaped in the company of my friends. I still remember the first year wishes we received from our teachers and I always regard my primary school life memories as a treasure. Sincere thanks to my friends and teachers for these sweet memories, which are a part of my life. The joy of school life are surely countless. Indeed the school days are the best of our lives.

Social Service Club

"We can do so little alone, but so much together."

True to the adage, the Social Service Club has made a concerted effort to hold a canteen and donate the proceeds to poor and disabled children. It was wonderful to see so many children come forward to bring various goods to sell and raise funds to help the less fortunate.

A second attempt was made just before Christmas, and the leaders went from class to class, asking students to donate clothes or essentials they could give or that they no longer needed. Our Principal, Rev. Sr Annapurna, was so pleased with the children's contributions that she decided to donate them to a boarding school in Munagala.

Saint Ann's Munagala is a boarding school run by the Sisters of Saint Ann that caters to approximately 150 children. It was a joy for the cabinet, teachers, and principal to see the happy faces of the boarding children who received the contribution there.

Hence I conclude saying that one need not be rich financially to donate but one has to be rich by heart to give a part of what one has.

राष्ट्र की उन्नति व राष्ट्रभाषा

“ भावों की जब होती झंकार, गूँजती है हिन्दी की जयकार “

भारतीय भाषाओं में केवल हिंदी ही एक ऐसी भाषा है जिसे राष्ट्रभाषा के रूप में अपनाया गया है, क्योंकि यह अधिकांश भारतीयों द्वारा बोली व समझी जाती है। यह समस्त भारत में धार्मिक और आर्थिक सम्पर्क माध्यम के रूप में प्रयोग के लिए पूर्णतः सक्षम है। हिंदी एक ऐसी भाषा है जो सभी लोगों को आपस में जोड़े रखने में अहम भूमिका निभाती है। यह केवल एक भाषा ही नहीं है बल्कि देश की संस्कृति, वेश-भूषा और रहन-सहन को दर्शाती है। विद्वानों का मत है कि राष्ट्र भाषा की उन्नति में ही राष्ट्र की उन्नति है। इंटरनेट के बढ़ते उपयोग ने हिन्दी भाषा के भविष्य के संबंध में अनेक नई राहें दिखाई है। हिंदी हमारी राष्ट्रभाषा है, देश का गौरव, सभ्यता एवं मान- सम्मान पर इसमें निहित है।

“ मातृभाषा बिन व्यर्थ हैं दुनिया का सब ज्ञान,
भारत माँ की बोली, हिंदी, करों इसका सम्मान।”

आज हिंदी दोनों केवल भारत की बल्कि विश्व की भाषा बन चुकी है। जिसमें अपने विचारों की अभिव्यक्ति करने की भरपूर क्षमता है। आज हमारे विद्यार्थियों पर ही हिंदी भाषा का विकास व प्रसार का दायित्व है। इसी उद्देश्य की पूर्ति हेतु प्रति वर्ष हमारे विद्यालय में भी हिंदी इस समिति का गठन किया जाता है।

हिन्दी समिति का वार्षिक विवरण - 2022-2023 जून 26 को हिन्दी समिति के सदस्यों का चयन किया गया। चुनाव प्रक्रिया के फल स्वरूप निम्न सदस्याओं को चुना गया।

सही तरह चलना सिखाए,

जीवन में सदा आदर पाता ।

सबको मान प्रतिष्ठा जिससे,
सीखी कर्तव्यनिष्ठा जिससे,
कभी रहा न दूर मैं जिससे,
वह मेरा पथप्रदर्शक है,
जो मेरे मन को भाता है,
वह मेरा शिक्षक कहलाता ।

आज़ादी का अमृत महोत्सव

किसी भी देश का भविष्य तभी उज्ज्वल होता है जब अपने पीछे अनुभवों और विरासत के गौरव के साथ पल - पल जुड़ा रहता है। हम सभी जानते हैं कि भारत के पास एक समृद्ध ऐतिहासिक चेतना और सांस्कृतिक विरासत का एक अथाह भंडार है जिस पर हमें गर्व होना चाहिए।

इस ऐतिहासिक सांस्कृतिक राष्ट्रीय चेतना को भारत के घर - घर पहुँचाने के लिए प्रधानमंत्री श्री नरेंद्र मोदी जी ने अहमदाबाद गुजरात में साबरमती आश्रम में पदयात्रा (स्वतंत्रता मार्च) को हरी झंडी दिखाकर स्वतंत्रता की पचहत्तर (७५) वर्षगांठ के लिए समर्पित आजादी का अमृत महोत्सव कार्यक्रम का उद्घाटन किया। आजादी का अमृत महोत्सव का अर्थ है स्वतंत्रता के वर्ष पूरे करना प्रधानमंत्री ने १२ मार्च २०२१ को इस अभियान की शुरुआत की थी। यह अमृत महोत्सव पंद्रह अगस्त २०२३ तक जारी रहेगा। इस पहल का उद्देश्य भारत के गुमनाम स्वतंत्रता सेनानियों के बलिदानों और उपलब्धियों के बारे में आम लोगों को जागरूक करना है हमारी आज की पीढ़ी के बच्चे यह जान सके कि भारत को आजादी दिलाने के लिए स्वतंत्रता सेनानियों को कितने संघर्षों और कठिनाइयों का सामना करना पड़ा था।

आजादी का अमृत उत्सव
मिलकर हम मनाएँ।
माँ भारत के चरणों में
हम सब शीश झुकाए
स्वतंत्रता संग्राम की संघर्ष गाथा
यह सब हमें सुनाएं
गुमनाम सभी शहीदों को
ढूँढ़कर सामने लाएँ।।

आजादी का अमृत महोत्सव भारत की सामाजिक, सांस्कृतिक, राजनीतिक और आर्थिक पहचान के बारे में प्रगतिशील है। हजारों सूर्य से अधिक तेजस्वी भारत की स्वतंत्रता को लोग जीवन में स्थापित किए जाने की आवश्यकता को महसूस करते हुए एक और आजादी का जश्न मनाया जाएगा।

सावधान और सतर्क रहे

अक्सर कई लोग उन लोगों के बीच में बैठना पसंद करते हैं जो सिर्फ़ उनकी झूठी तारीफ़ करते हैं। लेकिन आप बस एक बार उनसे अपने मदद की उम्मीद करके देखिएगा उसे, आप स्वयं समझ जाएँगे कि वह हमारे हितैषी हैं या नहीं। नीम कड़वा ज़रूर होता है पर ज़्यादातर बीमारियों का हकीम नीम है। कुछ लोग नीम की तरह होते हैं, लेकिन वे ही आपकी हितैषी भी होते हैं। ऐसे लोगों से आप को सदैव फ़ायदा ही होता है। उनकी बातें बिलकुल खरी होती हैं। और उनको जब बुराई करनी होती है, तो आपके पीठ पीछे नहीं बोलते।

यदि हम बुरे लोगों की बात करें तो उसके नकारात्मक पहलुओं को तुरंत पकड़ते हैं और जब हम उनके साथ रहना शुरू करते हैं तो हमारे अंदर भी वही नकारात्मक भाव पनपने लगते हैं।

हमारी सोच भी उन्हीं की तरह होने लगती है। यह मानव का स्वभाव है कि नकारात्मक की ओर जल्दी आकर्षित हो जाते हैं। कई बार तो इतनी देर हो चुकी होती है कि मुक़ाम आपके हाथ से पूरी तरह निकल जाता है। जो लोग मधुर बोलते हैं, हमें उनसे सतर्क रहने की आवश्यकता है। मैं यह नहीं कहना चाहती हूँ कि सभी लोग एक जैसे ही होते हैं। कुछ लोग आपकी परवाह करने वाले भी होंगे। इसलिए सावधान और सतर्क रहे।

प्रकृति हमारी प्रथम शिक्षक

मनुष्य के जन्म से भी पहले से उसकी गुरु है प्रकृति। वह अनगिनत आँखों, हाथों और मन से मनुष्य को कुछ न कुछ सिखाती चली आ रही है। वह गुरु होने के साथ-साथ माँ और बाप भी है। वह रक्षक भी है और न्यायाधीश भी है। वह गति और विकास का व्याकरण सिखाती है। उसे छोड़ा तो वह विनाश का सबक भी सिखाती है। प्रकृति गुरु हमें पंच रूपों में शिक्षित करती है। इस महागुरु के आगे मनुष्य सदा नतमस्तक है। जल के रूप में प्रकृति सिखाती है बहना जलके रूप में प्रकृति प्रगति और प्रवाह का ककहरा सिखाती है।.....

पानी बताता है कि हमें हर बाधा को पार करते हुए चलना है जैसे नदी चलती है पत्थरों, अवरोधों में, कभी रुक कर, कभी सकुचा कर तो विराट रूप धर कर, कभी सीधी तो कभी राह बदल कर।

वायु: वायु के रूप में प्रकृति देती है सीख, सीमाओं में रहकर जीने की, ताकि चलता रहे जीवन, न हो कोई अनर्थ ...

वायु का अर्थ वेग भी है। यह गुरु जब अपनी सीमा तोड़ती है तो आंधी बन जाती है।

पृथ्वी: धरा की तरह धैर्य रखने और दृढ़ता की शिक्षा देती है प्रकृति...

पृथ्वी सीख देती है कि डटे रहो। धैर्य मत त्यागो। स्थिर रहना पृथ्वी का गुण है। अपने लक्ष्य और निर्णय पर अडिग रहने का गुण सफल व्यक्तित्व का आधार है।

आग से सिखाती है प्रकृति, अपनी ऊर्जा का सही उपयोग करना और अति उत्साही न होना ... आग यानी ऊर्जा। आग का पैमाना बिगड़ा तो दावानल होता है। इसी तरह किसी भी कार्य में अति उत्साह या ज्यादा ऊर्जा लगाना उस काम को बिगाड़ देता है

आकाश: प्रकृति सिखाती है, आकाश में खुलकर उड़ना, लेकिन कभी न भटकना ...

आकाश का अर्थ है विस्तार। जीवन को आसमान जितना विस्तार देना संभव है यह उम्मीद हमें आकाश को देख मिलती है।

जीत एक संघर्ष

अंत का पता नहीं
पर जीत नजदीक है।
मौत का भय नहीं
यह जीत का संगीत है।
यह एक जोश है
नया आक्रोश है।
ना जान का अवधान है
न जीत का प्रवधान है।

शत्रु में संत्रास है
जीत का यह रास है
हार का इरादा नहीं
जीत का ये लक्ष्य है।
जीत का राग है
नया उन्माद है।
जीत एक संघर्ष है
एक नया हर्ष है।

प्रकृति हमारी प्रेरक

माँ हमें जन्म देकर प्रेम से हमें पालती है, माँ प्रकृति हमें अपनी गोद में बिठा, संभालती है। माता-पिता हमारी उंगली पकड़ कर चलना सिखाते हैं, हमारे मार्ग-दर्शक बन सही रास्ता दिखाते हैं।

प्रकृति निस्स्वार्थ होकर सबकी सेवा करना सिखाती है। नदियाँ जीवन देने वाला अमृत समान जल पिलाती है। 'अपने लक्ष्य पर अडिग रहना पर्वत हमें सिखाते हैं। रात्रि में चमकते नक्षत्र हमें सही दिशा दिखाते हैं।

सागर की लहरें हमें गिर कर उठना सिखाती है, अपना सीना चीर कर धरती अन्न-फल-फूल उगाती है। पेड़ अपना सबकुछ देकर परोपकार करते हैं, हमें जीवित रखने वाली प्राणवायु से वातावरण भरते हैं।

सुगंधित रंगबिरंगे फूल हमारे मन को भाते हैं तितलियाँ झूमती हैं, मधुमक्खियाँ इन्हीं से मधु बनाते हैं। प्रकृति में औषधियाँ, सोने, चाँदी, हीरे-मोती की भरमार, स्वास्थ्य, प्रसन्नता, सुख सुविधाओं का माँ ने दिया उपहार।

मनोरम सुन्दरता सारे साज-बाज प्रकृति हमें देती है, वह सदैव देती है सिर्फ देती, हम से कुछ नहीं लेती, - हम सदा प्रकृति का अभिवादन, सम्मान और रक्षा करे कभी उसे हानि न पहुँचायें, उसके रौद्र रूप से डरे।

महिला सशक्तिकरण

आज के आधुनिकतम समय में महिला सशक्तिकरण एक विशेष चर्चा का विषय है ! हमारे आदि-ग्रंथों में नारी के महत्व को मानते हुए यहाँ तक बताया गया है कि "यत्र नार्यस्तु पूज्यन्ते रमन्ते तत्र देवताः " अर्थात् जहाँ नारी की पूजा होती है, वहाँ देवता निवास करे है। लेकिन विडम्बना तो देखिए नारी में इतनी शक्ति होने

के बावजूद भी उसके सशक्तिकरण की अत्यंत आवश्यकता महसूस हो रही है ! महिलाओं को आर्थिक सशक्तिकरण का अर्थ उनके आर्थिक फैसलो, आय, संपत्ति और दूसरे वस्तुओं की उपलब्धता से है, इन सुविधाओं को पाकर ही वह अपने सामाजिक स्तर को ऊँचा कर सकती हैं। राष्ट्र के विकास में महिलाओं के महत्व और अधिकार के बारे में समाज जागरूकता लाने के लिये मातृ दिवस, महिला दिवस आदि जैसे कई सारे कार्यक्रम सरकार द्वारा चलाए जा रहे है। महिलाओं को कई क्षेत्र में विकास की जरूरत है अपने देश में उच्च स्तर

की लैंगिक असमानता के कारण महिलाएँ अपने परिवार के साथ और बाहरी समाज के बुरे बर्ताव से पीड़ित है । भारत मे अनपढ़ों की संख्या मे महिलाएँ सबसे अबल है। नारी सशक्तिकरण का असली अर्थ तब समझ में आयेगा जब भारत में नारी को शिक्षित किया जाएगा और उन्हें इस काबिल बनाया जाएगा कि वो हर क्षेत्र में स्वतंत्र होकर फैसले कर सकें। भारत में, महिलाओं को सशक्त बनाने के लिए सबसे पहले समाज मे उनके अधिकारों और मूल्यों को समाप्त करने वाली उन सभी राक्षसी सोच को मारना जरूरी है, जैसे- दहेज प्रथा, अशिक्षा, यौन हिंसा, असमानता, भ्रूण हत्या, महिलाओं के प्रति घरेलू हिंसा, वैश्यावृति, मानव तस्करी और ऐसे ही अन्य विषयों पर भी हमें अपनी सोच बदलनी चाहिए क्योंकि महिलाएँ पुरुष के बराबर है! हमे हर नारी को सम्मान -देना चाहिए। कई नारे लिखे गए है नारी पर :-जैसे

- > नारी का करना सम्मान तभी बनेगा देश महान ।
- > नारी को दे शिक्षा का सवेश, तभी होगा उनका सारे जीवन मे उजियारा
- > नारी शक्ति से ही बनेगा मजबूत समाज ।

परीक्षा भवन और मैं

जैसे ही परीक्षा भवन में प्रवेश करते हैं सब कुछ शांत लगता है जैसे ही हम अपनी सीट पर बैठते हैं सारी यादाश्त गुम हो जाती है। जो उत्तर हमने सीखे और जो हमे नहीं याद आते है वो उत्तर जो हम फिर भूल जाते विश्वास हैं, तो डर से लड़ सकते हैं विश्वास हैं, तो डर को हरा सकते हैं यदि अपने आप पर विश्वास हैं तो हर परीक्षा का सामना कर सकते है।

गर्व है मुझे मैं नारी हूँ

नारी हर घर की शान होती हैं,
आज के युग में तो नारी घर के साथ-साथ सभी
क्षेत्रों में अपना स्थान बना चुकी हैं।
तोड़ के हर पिंजरा
जाने कब मैं उड़ जाऊँगी
चाहे लाख बिछा लो पहरे
फिर भी दूर आसमान में
मैं अपनी जगह बनाऊँगी,
हाँ गर्व है मुझे मैं नारी हूँ
भले ही परंपरावादी जंजीरो से बाँधे हैं
दुनिया के लोग पैर मेरे

फिर भी उन जंजीरों को तोड़ जाऊँगी
मैं किसी से कम नहीं सारी दुनिया को दिखाऊँगी हँ गर्व है, मुझे मैं नारी हूँ।

स्वयं पर विश्वास रखें

एक व्यक्ति जो खुद पर विश्वास करता है वह कभी असफल नहीं होता। विश्वास किसी के दिल में साहस और उत्साह पैदा करता है। यह कड़ी मेहनत करने और अपने दिल का अनुसरण

करने के लिए प्रोत्साहित करता है। मैंने खुद पर और अपने काम पर विश्वास रखना सीख लिया है। यह वह मंत्र है जो मैंने स्कूल में सीखा यह मूल्य मुझे मेरे कठिन समय में मजबूत बनाता है। अपने आप पर विश्वास करना अपने विचारों और कार्यों पर विश्वास करना है। जब कोई आपके साथ नहीं होता है तब आपका विश्वास ही होता है जो आपको आशा और शक्ति देता है जो जीवन में कठिनाइयों को दूर करने के लिए बहुत महत्वपूर्ण है। सबसे पहले एक व्यक्ति को ईश्वर और स्वयं में विश्वास रखना सीखना चाहिए वही सफल लोग होते हैं जो विपरीत परिस्थितियों

में खुद पर विश्वास रखते हैं जीवन में अपने लक्ष्य को प्राप्त करने के लिए आत्मविश्वास और मेहनती होना बहुत जरूरी है आत्मविश्वास प्रमुख मूल्य है जिसे बच्चों के साथ-साथ वयस्कों को भी धारण करना चाहिए। छात्रों को अपने काम के प्रति आज्ञाकारी और आत्मविश्वासी होना चाहिए। आत्मविश्वास की कमी वाले अधिकांश बच्चे व्यक्तित्व प्रबंधन में कई कठिनाइयों का सामना करते हैं। ऐसे में जरूरी है कि आप खुद पर विश्वास करें, बच्चों को शिक्षित करना और उनमें विश्वास पैदा करना भी महत्वपूर्ण है।

अपने आप पर विश्वास करो।

उभरती यादें !

वह छोटे - छोटे कदम लेकर आयी भी मैं कुछ नया सीखने की चाह में, किसे क्या पता था इतने सारे यादें, बटोर कर ले जाऊँगी मैं॥ हर एक लम्हा, हर एक पल कभी आज तो कभी कल कैसा यादगार था यह पल हम तो दोस्तों के साथ मग्न थे चुनौतियों का सामना कर रहे थे, किसे क्या पता था वक्त इतनी जल्दी बीत जाएगा ॥

देखते ही देखते यह दिन भी गुजरते चले गए यादगार लम्हो का नाम है

जिंदगी अरे ! इन्हीं यादों में खो गए हम किसे क्या पता था की स्कूल का आखरी दिन भी बीत

जाएगा ! सब अलविदा कह रहे थे खुशी के आँसू बहा रहे थे, पर किसे

क्या पता था हम तो यादें बना रहे थे॥

पैरों में पहनी जाती है
बिन्दी एक रुपये में आती है
और माथे पर सजाई जाती है
इसलिए कीमत मायने नहीं रखती है
उसका कृत्य मायने रखता है।
एक किताब घर में पड़ी गीता व कुरान
आपस में नहीं लड़ते,
और.....

जो उनके लिए लड़ते हैं, वे कभी उनको नहीं पढ़ते हैं।
नमक की तरह कड़वा ज्ञान देने वाला भी सच्चा मित्र होता है
मीठी बात करने वाले तो चापलूस ही होते हैं
इतिहास गवाह है कि आज तक नमक में कीड़े नहीं पड़े,

अच्छे मार्ग पर कोई व्यक्ति नहीं जाता पर बुरे मार्ग पर सभी जाते हैं....

उच्चस्तरीय शिक्षा चिंता या चुनौती

“ मन लगाकर तथा सर झुका कर पढ़ने वाले को, आगे जाकर सर उठाकर जीने का स्वर्णिम अवसर मिलता है।” आधुनिक काल में उच्च शिक्षा, चिंता या चुनौती स्कूली जीवन की यादगार और सुकून भरे समय के समाप्त होने के पश्चात् क्या होगा? कैसे होगा ? सही होगा या नहीं होगा ? ऐसे प्रश्न प्रत्येक विद्यार्थी के मन में आते हैं और यह हमारे जीवन का सबसे महत्वपूर्ण चरण होता है जो हमारा भविष्य निर्धारित करता है। अब प्रश्न उठता है कि उच्च शिक्षा चिंता है या चुनौती ?

चिंता वह है जो हमें घुट- घुट कर मारा करती है और चुनौती वह है जो हमें जीने का मकसद बताती है। चिंता सफल व्यक्ति को भी नीचे गिरा सकती है लेकिन चुनौती किसी को भी सफलता की ओर ले जाने की क्षमता रखती है। चिंता के कारण सरल कार्य भी कठिन प्रतीत होता है किंतु चुनौती कठिन से कठिन कार्य करने की शक्ति प्रदान करती है उच्च शिक्षा चिंता उनको प्रतीत होती है जो समय का सदुपयोग नहीं करते, पाठशाला का कार्य समय पर नहीं करते, और परीक्षा की तैयारी में भी विलम्ब करते हैं। और भविष्य के बारे में सोचा नहीं।

उच्च शिक्षा जीवन की एक महत्वपूर्ण चुनौती होती है जिसे यदि हम पार कर लें तो सफलता हमारे कदम चूमती है “ सुखार्थिनः कुतों विद्या नास्ति विद्यार्थिन सुखम् । सुखार्थी वा त्यजेत् विद्या विद्यार्थी व त्यजेत् सुखम्: ॥ संस्कृत के इस श्लोक का अर्थ है- सुख चाहने वाले के पास विद्या नहीं और विद्या चाहने वाले के पास सुख नहीं अतः सुख की चाहत रखने वाले को विद्या का और विद्या पाने वाले को सुख का त्याग कर देना चाहिए। परिश्रम ही सफलता की कुंजी है यदि हम पूरा मन लगाकर कठिन परिश्रम करेंगे। निश्चयवान बनेंगे प्रत्येक कार्य समय पर करेंगे तो निस्संदेह उच्च शिक्षा प्राप्त करना बहुत सरल हो जाएगा । एक व्यक्ति के मन में जब लक्ष्य प्राप्त करने की तीव्र अभिलाषा होती है तो वह हर बड़ी से बड़ी चुनौती भी सरलता से पार कर लेता है लेकिन जब हृदय में उमंग न हो तो एक सरल कार्य भी बहुत बड़ी चिंता में परिवर्तित हो जाता है।

अतः उच्च शिक्षा जीवन की एक कठिन चुनौती अवश्य हो सकती है किंतु चिंता नहीं। बस एक सुनिश्चित लक्ष्य सीखने की ललक, लालसा, रुचि, लग्न इस चुनौती को बहुत सरल बना देती है। इससे यह सिद्ध हो जाता है कि उच्च शिक्षा चिंता नहीं है, एक चुनौती है अन्त में, मैं यही कहना चाहूँगी कि परिंदों को नहीं दी जाती तालीम उड़ानों की, वो खुद ही तय करते हैं मंजिल आसमानों की, रखते हैं जो हौंसला आसमानों को छूने का उनको नहीं होती परवाह गिर जाने की ॥

अविस्मरणीय स्कूल के पल

जब मैं स्कूल जाती थी ,
लगता था क्या वही भाग दौड़ रोज़ रोज़ ,
ज्यादा पढ़ाई नहीं करती थी मैं,
पर फिर भी तब पढ़ाई लगती थी बोझ।

थोड़ी पढ़ाई थोड़ा खेल-कूद,
सच में वो पल थे बहुत खास
अब बीत गए वो पल जो थे मेरे पास
पर बची है केवल उन पलों की याद।

कभी हम दोस्त मस्ती करके सबको करते थे तंग ,
कभी घर पे शिकायत होती तो रह जाते थे दंग
पर अब अहसास हो गया की ,
स्कूल मे ही बसती थी हमारी जान।

विश्वास करो कर्म में

मैं निर्धनता हूँ,
तुम मुझे मिटाना चाहते हो
या कुछ करके दिखाना चाहते हो
पर मुझे प्रिय हो ।
मैं तुम्हें प्रेम करती हूँ
इसीलिए फटे पुराने कपड़े पहनते हो
फैलाकर हाथ बाबूजी- बाबूजी करते हो
मैं तुम्हारा नसीब हूँ
इसलिए तुम्हारे करीब हूँ,
लेकिन तुम चाहो तो कीचड़ में कमल
खिला सकते हो,
धरती आकाश मिला सकते हो
मुझको समझो, श्रम को अपनाओ
मैं तुम्हारी पाठशाला हूँ,
पढ़कर विश्वास करो कर्म में
जागो उठो जमाने को हिला दो
इस दुनिया से अज्ञान के साथ मुझे
भी मिटा दो देखो विश्वास बुला रहा है,
उगता सूरज तुम्हें राह दिखा रहा है ।

ममता की मूरत

हमारे हर मर्ज की दवा होती है माँ,
कभी डाँटती है हमे, तो कभी गले लगा लेती है माँ,
हमारी आँखों के आँसू अपनी आँखों में समा लेती है
माँ ।

अपने होंठों की हँसी, हम पर लुटा देती है माँ,
हमारी खुशियों में शामिल होकर, अपने गम भुला
देती है माँ,
जब कभी ठोकर लगे, तो हमें तुरंत याद आती है
माँ ।

दुनिया की तपिश में, हमें आँचल की शीतल छाया
देती माँ,
स्वयं चाहे कितनी थकी हो, हमें देखकर,
अपनी थकान भूल जाती है माँ।

प्यार भरे हाथों से, हमेशा हमारी थकान मिटाती है
माँ,
बात जब भी हो लज़ीज़ खाने की, तो हमें याद आती
है माँ,
रिश्तों को खूब सूरत से निभाना सिखाती है माँ।

लफ्जों में जिसे बया नहीं किया जा सके ऐसी होती है
माँ,
भगवान भी जिसकी ममता के आगे झुक जाते हैं ।

हाय रे परीक्षा

जिस नाम को सुनने से
काँपता है हर बच्चा, वह है परीक्षा ।
परीक्षा का पेपर हाथ में आते ही इतना डर लगता है
कि अच्छा नहीं किया,
तो घर पर पीटना पक्का है ।
तीन घंटे में करने होते हैं लगभग चालीस सवाल, एक
भी छूटा तो घर पर होता है बवाल ।
रिजल्ट के एक दिन पहले रात को नींद नहीं आती है,
अच्छे नंबर पाने के लिए भगवान की याद आती है ।
रखते हैं विद्यार्थी भगवान का व्रत
अगर फेल हुए तो लगता है होगा
' डंडों से नृत्य " पास होने का मिलता है
शानदार इनाम और मुख से निकलता थैंक्यू भगवान !
फिर आती है अगली परीक्षा तब भी मुख से निकलता है " हाय रे परीक्षा "जीवन ही एक परीक्षा है जिससे
सदा हमें जूझना पड़ता है ।

वो दिन भी क्या दिन थे

स्कूल ज्ञान का मंदिर माना जाता है ना केवल मस्ती,
दोस्ती और सभी गेम्स पीरियड की यादों को मैं जीवन
भर संजोग कर रखूँगी ।
स्कूल की मीठी यादें ---
यूनिफॉर्म --- स्कूल में हम स्कूल यूनिफॉर्म से नफरत
करते हैं लेकिन जब हम बड़े होते हैं तो हमें एहसास
होता है कि हर दिन क्या पहनना है यह चुनना कितना
मुश्किल है, बेल्ट खोलकर घूमने का मजा ही अलग था
।

छुट्टियाँ -- हमें स्कूल में कई छुट्टियाँ मिलती है जिन्हें
हम बिना किसी तनाव के लापरवाह तरीकों में बिताया
करते थे । छुट्टियों के आखिरी दिन पर प्रोजेक्ट करने
का मजा ही कुछ और था ।
दोस्त -- स्कूल लाइफ में सबसे मजेदार यादें दोस्तों के
साथ लंच टाइम की होती है ।
यह सभी अनुभव मेरे दिल में विशेष महत्व
रखते हैं ।

जीवन का अर्थ

ऐ मुसाफिर सफलता की राह पर
क्यों तू चलता इतना है ?
चल हार मान ले तू, सोचता है तू लिखेगा इतिहास, तू
क्या जाने तू बन जाएगा एक उपहास
मुसाफिर तो जिंदा दिल था वह हंस के बोला
पर्वत और मिट्टी को क्यों है तोला ?
क्या कभी तूफान को देख बारिश की बूंदे
सहम जाती हैं, ठोकरें तो आसमान में उड़ने वाली
मैना भी खाती है ।
चाहता तो मैं भी शरद की ठंड में रजाई में सोता
लेकिन फिर मेरे जीवन में अर्थ कहां होता ?
तो तुम्हें बताऊं क्या मैं चोट और ठोकरों से डर कर
बैठ जाऊं या पंख फैला के तारों के बीच उफान
उठाऊं ।
चलो मैं तुम्हें वह सिखाऊं जो मैंने इस सफर में सीखा,
पैरों में भले ही काटे लेकिन सिर तुम रखना ऊंचा, तुम
सिर्फ गिरे हो, मरे अभी नहीं, त्याग दो अपना अभिमान
आएगा वह दिन भी जब सफलता खुद करेगी तुम्हें
सलाम ।

डर के आगे जीत है

अधिकतर सभी विद्यार्थियों को लगता है –
“ यदि परीक्षाएँ न हो तो अच्छा होता ”

जैसे ही परीक्षा का समय निकट आता है, तो मन घबराने लगता है, दिल की धड़कन तेज हो जाती है सांसों फूलने लगती हैं, ज्वर सा चढ़ने लगता है। भय के कारण ऐसे प्रतीत होता है, मानो पढ़े हुए सारे पाठ व ज्ञान मस्तिष्क से लुप्त हो गये हो प्रश्न पत्र को देखते ही सिर चकराने लगता है।

ऐसा तभी होता है जब हम परीक्षा देने के लिए पूरी तरह तैयार न हो। और हमारे अंदर आत्मविश्वास की कमी हो, “आलस्य मनुष्य का शत्रु और परिश्रम मित्र होता है” आलस्य से लिप्त होकर जब हम समय का सदुपयोग नहीं करते तब हम परीक्षा के भय से कांपने लगते हैं तमस (अंधकार) को मिटाने के लिए हमें दीपक प्रज्वलित करना पड़ता है। ठीक उसी प्रकार परीक्षा के भय को दूर करने के लिए हमें आंतरिक शक्तियों को जागृत करना पड़ेगा। ईश्वर ने मानव को इतनी शक्ति और क्षमता प्रदान की है कि उसके लिए कोई भी कार्य करना असंभव नहीं है।

मन में हौसला हो तो मनुष्य के आगे कोई दीवार नहीं होती कोशिश करने वालों की कभी हार नहीं होती “ मानव जीवन में परीक्षा का महत्वपूर्ण स्थान है हमारी बुद्धि, ज्ञान, क्षमता, विशेषता, योग्यता, श्रेष्ठता, प्रतिभा आदि का आंकलन करने का साधन केवल परीक्षा है। मैं अपने सहपाठियों और सभी विद्यार्थियों से अनुरोध करती हूँ --

वे रोज सवेरे शीघ्र उठकर नियमित रूप से

एकाग्रचित्त होकर अध्ययन करें। समय का सदुपयोग करें कुसंगति एवं आलस्य से दूर रहें। समय पर पौष्टिक भोजन करें, योगा और ध्यान अवश्य करें। मानसिक रूप से अपने आप को दृढ़ बनाएं और सदा प्रसन्न रहें। सदैव ईश्वर और अपने आप पर विश्वास रखें याद रखें “ डर के आगे जीत है ”।

“ ज्ञानोदय हुआ है आई है आलोक की बेला,
दुनिया देखेगी प्रखरता, योग्यता मेरी प्रतिभाओं का मेला।
सफलता की चरमसीमा तक पहुँचेंगे हम,
यह है एकाग्रता, आत्मविश्वास व परिश्रम का खेल।

पढ़ने की उम्र नहीं होती है

इससे कोई फर्क नहीं पड़ता कि आप कितने साल के हैं। पढ़ाई में उम्र कोई मायने नहीं रखती मायने यह रखता है कि आपके पास कितना ज्ञान है और आपने कितना ज्ञान प्राप्त किया है। उम्र सिर्फ शारीरिक विकास की स्थिति निर्धारित करती है। यह आपके ज्ञान को निर्धारित नहीं करता है शिक्षा की कोई सीमा नहीं है इसके अलावा बूढ़े लोग बच्चों की तुलना में तेजी से सीख सकते हैं और उनके पास बच्चों की तुलना में अधिक अनुभव होता है यहां तक कि हमारा जीवन ही हमें सिखाता है। आप कुछ अपनी सफलताओं और कुछ असफलताओं से सीखते हैं पढ़ाई के लिए कभी देर नहीं होती, हमारा जीवन बहुत छोटा है हमें इस छोटे से जीवन में जो कुछ भी हासिल करना है। उसे करना चाहिए, " कम से कम अब पढ़ना शुरू करो " और दूसरों को भी प्रेरित करो ।

जीवन का सच्चा अर्थ ऐ मुसाफिर सफलता की राह पर क्यों तू चलता इतना है ?

हृदयस्पर्शी पल

हर किसी की तरह यादें भी मेरे जीवन का हिस्सा रही हैं। हम अच्छे दिनों को याद करते हैं। जो बीत चुके हैं और बुरे भी। जीवन की अच्छी यादों में से एक निश्चित रूप से मेरी स्कूली जीवन की है। वास्तव में यह कई लोगों के जीवन का सबसे अच्छा चरण माना जाता है मेरा स्कूली जीवन से मुझे जो आत्मविश्वास और प्रेरणा मिली वह मुझे कहीं और नहीं मिल सकता। सबसे महत्वपूर्ण बात यह है कि यह वह स्थान है जहां मैंने अपनी विशिष्टता और व्यक्तित्व को पहचाना। मेरा स्कूली जीवन मेरे लिए किसी खजाने से कम नहीं है जिसने मुझे जीवन में अमूल्य खुशियाँ दी। यही से मैंने अक्षर सीखना शुरू किया जब मैंने पहली बार अपना स्कूल शुरू किया तो मुझे जो गर्मजोशी से स्वागत मिला, वह कुछ ऐसा है जिसे मैं कभी नहीं भूलूंगी यह वही है जो परिभाषित करता है कि मेरा स्कूली जीवन मेरे लिए कितना महत्वपूर्ण क्यों है यह वास्तव में एक अविस्मरणीय यात्रा रही है जो हमेशा मेरे दिल में रहेगी। सबसे महत्वपूर्ण बात यह है कि मैंने यही दोस्त बनाए। दोस्त जो मेरे पूरे जीवन भर ऐसे ही रहेंगे। मेरे स्कूली जीवन का सबसे बड़ा आशीर्वाद वास्तव में मेरे दोस्त रहे हैं। वे ही थे जिन्होंने इस यात्रा को अविस्मरणीय और सुगम बनाया।

मेरे सबसे यादगार पल मेरे दोस्तों के साथ बिताए गये पल हैं। इसके अलावा मुझे वह समय भी याद रहेगा जो हमने स्कूल कैंटीन में अवकाश के दौरान बिताया है मेरे स्कूल जीवन में हर दिन जादुई का अमृत महोत्सव था जैसे कि हम सभी जानते हैं कि हमारे स्कूली जीवन का पहले और आखिरी दिन सबसे यादगार दिन होता है मैंने रोते हुए अपने स्कूल में प्रवेश किया और जाते समय भी मेरे आँखों में वही आँसू हैं। मेरे स्कूल ने मेरी इस यात्रा में अनगिनत खुशियाँ दी हैं जो मेरे जीवन के सबसे अच्छे अविस्मरणीय पल हैं।

सुविचार

- जिस तरह कीड़ा कपड़ों को कुतर डालता है, उसी तरह ईर्ष्या मनुष्य को।
- क्रोध मूर्खता से शुरू होता है और पश्चाताप पर समाप्त होता है।
- नम्रता से देवता भी मनुष्य के वश में हो जाते हैं
- संपन्नता मित्रता बढ़ाती है, विपदा उनकी परख करती है।
- एक बार निकले बोल वापस नहीं आ सकते, इसलिए सोन समझकर बात करनी चाहिए
- धीरज के सामने भयंकर संकट भी धुँएँ के बादलों की तरह उड़ जाते हैं।
- मनुष्य की महत्ता उसके कपड़ों से नहीं वरन उसके आचरण से की जाती है।
- जब तुम किसी की सेवा करो तब उसकी त्रुटियाँ को देख कर उससे घृणा नहीं करना चाहिए।
- अंधा वह नहीं जिसके आँखें नहीं हैं अंधा वह है जो अपने दोषों को ढलता है।
- मनुष्य को अपनी ओर खींचने वाला चुंबक प्रेम है।

धर्म जो तुम्हारा है धर्म जो हमारा है
धर्म सबका प्यारा है बस भ्रम ने मारा है

अर्ज किया है

कमाल है ना
आँखें तालाब नहीं
फिर भी भर आती हैं ॥

दिल काँच नहीं
फिर भी टूट जाती है ।
इंसान मौसम नहीं,
फिर भी बदल जाता है ॥

तेरी दोस्ती को पलकों में सजाएँगे
जब तक जिंदगी है साथ निभाएँगे ।
देने को तो कुछ नहीं है मेरे पास
पर तेरे खुशी माँगने
खुद जाएँगे खुदा के पास ॥

वक्त की तेज रफ्तार ही
सिखाती है, बताती है, दिखाती है
मंजिल भी, मुसाफिर भी
अपना भी पराया भी ॥

किसी के लिए दोस्ती
सजा बन जाती है
किसी के लिए दोस्ती
मजा बन जाती है
पर जो लोग दिल से दोस्ती करते हैं
उनके लिए दोस्ती जीने की वजह बन जाती है ।

एक कहानी की पहेली हूँ " मैं "

रख सको तो एक निशानी हूँ मैं
खो दो तो सिर्फ एक कहानी हूँ मैं
रोक ना पाए जिसको यह सारी दुनिया
वो एक बूंद आँख का पानी हूँ मैं

सबको प्यार देने की आदत है हमें
अपनी अलग पहचान बनाने की आदत है हमें कितना
भी गहरा ज़ख्म दे कोई
उतना ही ज्यादा मुस्कुराने की आदत है हमें ॥
अजनबी दुनिया में अकेला ख्वाब हूँ मैं
सवालोंने से खवफ छोटा सा जवाब हूँ मैं
जो समझा ना सके, मैं उनके लिए कौन ?
जो समझ गए उनके लिए खुली किताब हूँ मैं ॥
आँख से देखोगे तो खुशी पाओगे
दिल से पूछोगे तो दर्द का सैलाब हूँ मैं
अगर रख सको तो एक ही निशानी हूँ मैं
खो दो तो सिर्फ एक कहानी हूँ मैं

"తేనె లొలుకు భాష తెలుగు భాష"

" ఇటాలియన్ ఆఫ్ ద ఈస్ట్ " అని విదేశీయులు మెచ్చిన భాష. ప్రభుత్వ ప్రోత్సాహం ఉండటం వలన పాఠశాలలో తెలుగు భాష మొదటి భాషగా విద్యార్థులు చదువుతున్నారు..భాషేతరులు తప్పనిసరిగా తెలుగు రెండవ భాషగా నేర్చుకుంటున్నారు.

తెలుగు భాష దినోత్సవం

"తీయనైన భాష తల్లి భాష అమ్మ మాట్లాడు భాష అమృత భాష"

తెలుగు అనే పదంలోనే ఎంతో మాధుర్యం ఉంది కదా?

అమ్మదనం నిండిన కమ్మనైన భాష మన తెలుగు భాష. ఆగస్టు 29వ తేదీన ఒక ప్రత్యేకత ఉంది. వ్యవహారిక భాష ఉద్యమకర్త అయినా గిడుగు వెంకట రామమూర్తి పంతులు గారి పుట్టినరోజు. ఈరోజు గ్రాంధిక భాషలో ఉండే పాఠ్యాంశాలను వాడుక భాషలోకి మార్చాలని ఎంతగానో కృషి చేసిన వారు గిడుగు వెంకట రామమూర్తి పంతులుగారు.

తెలుగు భాషకు ఆయన చేసిన కృషి చిరస్మరణీయం. ప్రతి విద్యార్థికి సులువైన పద్ధతిలో పాఠ్యాంశాలు ఉండాలని ఆలోచించి మనం ఇంట్లో మాట్లాడే భాష బడిలో మాట్లాడే భాష వేరుగా ఎందుకు ఉండాలి అని అనుకొని వాడుక భాషలోనే పాఠ్యాంశాలు ఉండాలని ఉద్యమం చేశారు. ఈయన చేసిన కృషిని గుర్తించి ఈయన పుట్టినరోజు అనగా ఆగస్టు 29వ తేదీన "తెలుగు భాషా దినోత్సవం" గా జరుపుకుంటారు.

మనిషి పుట్టిన తరువాత మొదటగా భాష నేర్చుకునేది అమ్మ ఒడిలోనే అదే మన మాతృభాష. ఈ సృష్టిలో ఎన్నో జీవరాసులు ఉన్నాయి. కానీ అందులో ఒక మానవుడికి మాత్రమే తమ మనసులోని భావోద్వేగాలను బయట పెట్టడానికి భాష అనే ఆయుధం తోడ్పడుతుంది. ఎన్ని భాషలు ఉన్నా మన మాతృభాష యొక్క గొప్పదనం గురించి వేరే చెప్పనవసరం లేదు. తెలుగు భాషలోని పద్యాలు, గేయాలు, మొదలగునవి వాటికవే సాటి వాటికి లేవు పోటీ. అందుకే అన్నారు శ్రీకృష్ణదేవరాయలు "దేశ భాషలందు తెలుగు లెస్స". దీనిని బట్టి తెలుస్తుంది మన తెలుగు భాష యొక్క గొప్పదనం. మాతృభాష తల్లిపాల వంటిది. పరభాష పూత పాల వంటిది అని కొమ్మరాజు లక్ష్మణ్ రావు గారు చెప్పారు. అనగా ఏ ప్రాంతం వారికైనా వారి భాష అమ్మ లాంటిది. అటువంటి మన మాతృభాషనే మనం భాషించుదాం అని తెలుపుతూ అందరికీ తెలుగు భాషా దినోత్సవ శుభాకాంక్షలు.

తెలుగు భాషా ప్రాముఖ్యత

మన తెలుగు భాషకు చాలా ప్రాముఖ్యత ఉందన్న సంగతి తెలుసుకోవాలి. ముఖ్యంగా తెలుగువారిమైన మనం కచ్చితంగా తెలుసుకోవాలి. ఎందుకంటే తెలుగు మన మాతృభాష కాబట్టి. చాలామందికి ఈ విషయం ఇప్పటికీ కూడా తెలిసి ఉండకపోవచ్చు. అదేమిటంటే ప్రపంచ ఉత్తమ లిపిలలో మొదటి ఉత్తమ లిపి కొరియాది నిలవగా, రెండవ ఉత్తమ లిపిగా మన తెలుగు లిపి నిలవడం మన తెలుగు వారందరూ గర్వించదగ్గ విషయం. ఇంతటి ప్రాధాన్యం ఉన్న మన తెలుగు భాషని మనం వదిలి పరాయి భాషను భావవ్యక్తీకరణకు వినియోగించడం చూస్తుంటే నాకు ఒక్కోసారి బాధేస్తుంది. సందర్భానుసారం పొరుగు భాష ఉపయోగించడంలో అర్థం ఉంది కానీ ఆ సందర్భాల్లో కూడా తెలుగు భాషను కాదని ఇతర భాషలు భావవ్యక్తీకరణకు ఉపయోగించడం సరైనది కాదు. అన్ని భాషలు నేర్చుకోవాలి కానీ తల్లి భాషను మరవకూడదు. తెలుగువారమైనందుకు మనం మన తెలుగుని కాపాడుకోవాల్సిన బాధ్యత కూడా మనది అన్న సంగతి అందరూ గుర్తుపెట్టుకోవాలి. మన భాష గురించి ప్రస్తావిస్తూ షోతే లెక్కలేనన్ని వ్యాసాలు రాయాల్సి వస్తుందేమో.

విద్యా వినయన శోభతే

విద్య వినయన శోభతే విద్య ఎన్నో ఇస్తుంది నేర్పిస్తుంది. విద్య వలన ఏమి రావాలి. విచక్షణ జ్ఞానం,

వివేకం, నిత్యా నిత్య విచారణ ఇత్యాదులు. సరైన విద్యార్థికి వీటితో పాటు రావలసిన గుణం

వినయం. వినయం లేని విద్య రాణించదు. ఎవడైతే తనకు అన్ని

తెలిసాయి అని అనుకుంటున్నాడో వాడికి ఏమీ తెలియవు అన్నది

స్పష్టం. తనకు ఏదీ రాదు అని తెలుసుకున్న వాడు సరైన విద్యార్థి.

మనకున్న విజ్ఞానాన్ని తెలుసుకోవాలంటే కొన్ని జన్మలైనా సరిపోవు.

ఇక్కడ ఎటువంటి విద్య గురించి చెబుతున్నారు. ఏ విద్య

తెలుసుకుంటే అన్ని అవగతం అవుతాయో అటువంటి ఆత్మవిద్య

వినయం. వినయం వలన ఏమి వస్తుంది?

వినయం నీకు ఏమి తెలుసు ఏమి తెలియవు చెబుతూ పెద్దల వద్ద

వినమ్రత నేర్చుతుంది. అనుభవం ఉన్న పెద్దల వద్ద నాకు తెలుసు

అన్న అహంకారం ప్రదర్శిస్తే నీకు ఎలాగూ తెలుసు కదా అని వదిలేస్తారు. నువ్వు మరీ ఏమి

నేర్చుకోలేవు నువ్వు నేర్చుకోవాలి అనుకుంటే ముందు కావాల్సింది వినయం. ఈ వినయం వలన

నీలోని అహంకారం నశించి నువ్వు ఏదైతే తెలుసుకుంటే మరింకేమీ తెలుసుకోనక్కర్లేదు

అటువంటి విజ్ఞానానికి పాత్రుడవు అవుతావు. ఈ విద్యా జ్ఞానం వలన వినయం వలన నువ్వు పాత్ర

సంపాదించుకో గలవు.

ప్రతి ఒక్కరిలో ప్రతిభ ఉంటుంది

“ప్రతిభా ఎప్పుడు స్థిరంగా ఉండదు. ఇది ఎల్లప్పుడూ పెరుగుతుంది లేదా తగ్గుతుంది.”
 ప్రతి ఒక్కరిలో ప్రతిభ ఉంటుంది. ప్రతి ఒక్కరూ జీవితంలో అసాధారణంగా చేయగలిగే సామర్థ్యాన్ని కలిగి ఉంటారు. దురదృష్టవశాత్తు, మన ప్రతిభ ఏంటని ఎవరైనా అడిగితే కాసేపు ఆలోచించి మన దగ్గర ప్రతిభ లేదని చెబుతాం. మనము మన ప్రతిభను అన్వేషించడానికి ఎప్పుడు ప్రయత్నించలేదు. ప్రతి ఒక్కరిలో ప్రత్యేకత ఉంటుంది. మీరు వైకల్యం ఉన్న వ్యక్తిని పరిశీలించినప్పటికీ, మీరు అతనితో ఏదో ఒక ప్రత్యేకతను కనుగొంటారు. అందువల్ల ఈ ప్రపంచంలో మీ ఉనికిని ఎప్పుడు అనుమానించకండి.

కొన్నిసార్లు మనం మన ప్రతిభను విస్మరిస్తాము. ఎందుకంటే అది మనకు సాధారణ విషయంగా అనిపిస్తుంది. జన్మతః మీరు ప్రతిభతో జన్మించి ఉండవచ్చు. ఉదాహరణగా రాయడం, మాట్లాడడం, పాడటం, చిత్రలేఖనం, వంట, నృత్యం ఏదైనా కావచ్చు. మీ ప్రతిభ ఏంటని ఎవరైనా అడిగితే? గర్వంగా చెప్పండి. మీరు మీ ప్రతిభను అభినందిస్తే మీరు అభివృద్ధి చెందడానికి కొత్త దిశను ఎన్నుకున్నట్టే. ఇది మీ జీవితంలో మిమ్మల్ని ఎక్కడికి తీసుకు వెళుతుంది నీకు ఎప్పటికీ తెలియదు.

ప్రకృతి మాత

అందరికీ అమ్మ ఉంటుంది . అమ్మ బిడ్డలందరినీ తన ఒడి చేర్చి ఆలనా పాలన చూసి ప్రేమతో ప్రేమించి పెద్దవాళ్ళని చేసి ఆరోగ్యవంతమైన జీవితాన్ని ప్రసాదిస్తుంది. అలాగే మనల్ని కనిపెంచిన అమ్మలందరికీ మరియు ప్రపంచంలో ఉన్న సమస్త జీవరాసులకు అమ్మప్రకృతి మాత .

ఈ ప్రకృతి తనలో భాగాలైన భూమి , ఆకాశం, నీరు, నిప్పు, గాలి పంచభూత సమతుల్యతతో సకల జీవరాసులకు ఆరోగ్యకరమైన జీవనాన్ని కలగజేస్తుంది .

ఆరోగ్యమే మహాభాగ్యము. మనకు ఎన్ని సిరి సంపదలున్నా ఆరోగ్యం సరిగా లేకపోతే మనిషికి సుఖశాంతులు ఉండవు. మనుషుల్లో ఏర్పడిన " వ్యక్తిగత స్వార్థమే సామాజిక అనర్థానికి కారణం ". అవుతుంది. ఫలితంగా గాలి, నీరు నేలకు కాలుష్యానికి గురి చేస్తున్నారు.

గాలి:- వాహనముల , పరిశ్రమల ద్వారా అధిక కర్బనాలను విషవాయువులను గాల్లోకి వదులుతూ వాయు కాలుష్యం చేస్తున్నారు. నేల:- వ్యవసాయం పేరుతో రసాయన ఎరువులు క్రిమిసంహారకరసాయనాలను అధికంగా వాడుతూ ఉండడం ప్రజలంతా బాధ్యతా రహితంగా వాడుకొని విసిరేస్తున్న ప్లాస్టిక్- పాలిథిన్ పేపర్లు భూమిని విషపూరితం చేస్తున్నారు. అందుచేత భూగర్భ జలాలు కూడా కాలుష్యంగా మారుతున్నాయి. వృక్ష రక్షితి రక్షితః - చెట్లను కాపాడితే మనకు ప్రాణవాయువును ప్రసాదించి కావాలసినంత వర్షపాతాన్ని అందిస్తాయి. అటువంటి చెట్లను నరికి వేయకుండా మొక్కలు నాటి చెట్లుగా పెంచి ప్రకృతి మాతను కాలుష్యరహితంగా మార్చుకుందాం. అందుచేత మిత్రులారా మనమంతా ఈరోజు నుంచి మొక్కలు పెంచుదాం . పరిసరాలను పరిశుభ్రంగా ఉంచుదాం. అలా చేస్తే మన ఊరి స్వచ్ఛంగా ఉంటుంది . "ప్రకృతి మాత " తన బిడ్డలమైన మన అందరికీ చక్కటి ఆరోగ్యవంతమైన జీవనాన్ని ప్రసాదిస్తుంది.

ప్రేరణ

ప్రేరణ అనేది, మానవుల నిర్దిష్ట సమయంలో ప్రవర్తనను ప్రారంభించడం, కొనసాగించడం లేదా ముగించడం. వివిధ మానసిక స్థితిలు ఒకదానితో ఒకటి పోటీ పడతాయని మరియు బలమైన స్థితి మాత్రమే ప్రవర్తనను నిర్ణయిస్తుందని తరచుగా భావించబడుతుంది. ఇది వ్యక్తి యొక్క అవసరాలు లేదా కోరికలను సూచిస్తుంది. ఇది ఒక లక్ష్యాన్ని సాధించడానికి చేర తీసుకోవడానికి వ్యక్తులను ప్రేరేపించే ప్రక్రియ. ఒక కార్యాచరణ కావాలనుకుంటే, ప్రేరణ అంతర్గతంగా ఉండవచ్చు లేదా బాహ్యంగా ఉండవచ్చు. బాహ్య ప్రేరణ కంటే అంతర్గత ప్రేరణ ఎక్కువ ప్రయోజనకరమైన ఫలితాలను కలిగి ఉంటుంది. ప్రేరణ అనేది ఆచరణాత్మక హేతుబద్ధతకు దగ్గరి సంబంధం కలిగి ఉంటుంది. ప్రేరణ నిరాశలో ఉన్న వ్యక్తిని ఆశావాదపు అంచుల దాకా తీసుకెళ్తుంది. అవరోధాల దారుల అధికమింప చేస్తుంది . సమస్యల వంతెనలు సులువుగా దాటిస్తుంది. ఆత్మవిశ్వాసాన్ని పెంపొందిస్తుంది. లక్ష్యం వైపు నడిపిస్తుంది. విజయాన్ని చేకూరుస్తుంది. అందుకే అవసరమైన చోట ప్రేరణ ప్రాధాన్యతను గుర్తించాలి. కొందరికి వ్యక్తిత్వ వికాస గ్రంథాలు ప్రేరణనిస్తాయి. ఇలా ఏదో ఒక అంశం, ఏదో ఒక పుస్తకం ప్రేరణ నిచ్చేది గా ఉంటుంది. ఆ ప్రేరణ వ్యక్తిని తీర్చిదిద్దుతుంది.

కలలో..... మళ్ళీ బడికి!

ఎక్కువ మందికి వచ్చే కలలలో స్కూలు కల ఒకటి. ఆ కలలో మన చిన్నప్పటి రూపమే కనిపిస్తుంది. చిన్నప్పటి స్కూలే కనిపిస్తుంది. అపురూప జ్ఞాపకాల్లో కొన్ని మళ్ళీ మళ్ళీ గుర్తుకు వచ్చి కలలు రూపంలో దర్శనం ఇస్తాయి. స్కూలు అనేది అపురూప జ్ఞాపకాల్లో ఒకటైనప్పటికీ... కలలో కనిపించే స్కూలు కేవలం దానికి మాత్రమే పరిమితమైనది కాదు ఆ కళకు విస్తృతార్థాలు ఉన్నాయి.

ఒకే ఒక ముక్కలో చెప్పాలంటే స్కూలు అనేది మన నిత్య జీవిత వ్యవహారాలను ప్రతిబింబించే వేదిక. స్కూలుకు లేట్ అయిందని వేగంగా పెరుగెత్తుకు వస్తుంటా.... టీచర్ తిడుతుందేమో అనే భయం దారి పొడుగునా వెన్నంటే ఉంటుంది. ఇక్కడ ఆలస్యం అనేది అనేక విషయాలను సూచిస్తుంది. స్కూలు అనేది ఒక

లక్ష్యం అనుకుంటే, ఆలస్యం కావడం అనేది లక్ష్యసాధనలో జరిగే జాప్యాన్ని, అసహనాన్ని సూచిస్తుంది. చాలా కష్టపడి చదివినప్పటికీ.... పరీక్షల్లో ఫెయిల్ అయ్యి టీచర్ల చేత

తిట్టించుకున్నట్లుగా కలవొస్తుంది కొన్నిసార్లు. సార్..."నేను చాలా కష్టపడి చదివాను" అంటామో లేదో పిల్లలు అందరూ ఎగతాళిగా నవ్వుతుంటారు. ఒక పనిని చాలా కష్టపడి, చిత్తశుద్ధితో చేసినప్పటికీ సరైన ఫలితం కొన్నిసార్లు చేతికందదు. ప్రయత్న లోపం లేకపోయినప్పటికీ ఫలితం చేతికి అందకపోవడాన్ని సూచించే కల ఇది. క్లాస్ జరుగుతుంటే వెనుక బెంచ్ లో కూర్చుని నిద్రపోతున్నట్లు కూడా కొన్నిసార్లు కల వస్తుంది. ఏది జరిగినా... పట్టించుకోకుండా ఎంత మాత్రం స్పందన లేకుండా ఉండే పరిస్థితిని ఇది ప్రతిబింబిస్తుంది. నిత్య జీవితంలో చోటు చేసుకునే రకరకాల సంఘటనలు కావచ్చు, భావోద్వేగాలు కావచ్చు, స్కూలుకు సంబంధించిన జ్ఞాపకాలతో మిళితమై కలలుగా వస్తుంటాయి.

సమయం మీ వైపు

" పోయిన సమయం మళ్ళీ దొరకదు ". మనిషి వెచ్చించగల అత్యంత విలువైన వస్తువు సమయం. ఇది అనాదిగా వస్తున్న నమ్మకం ఇప్పటికీ నిజం. గడియారాన్ని ఎవరు ఆపలేరు లేదా వేగాన్ని తగ్గించలేరు. సమయం అందరి కోసం వేచి ఉండదు. సమయం యొక్క ప్రాముఖ్యత తెలిసినవాడు విజయం సాధించగలడు. ఇద్దరు వ్యక్తులు ఒకేరోజు, ఒకే సమయంలో జన్మించవచ్చు కానీ వారికి ఒకేజీవితం, అవకాశం మరియు సమయం లభించకపోవచ్చు. ఒకరు సమయంతో సంబంధం లేకుండా జీవించవచ్చు. మరొకరు సమయం దైవం అని నమ్ముతారు మరియు విజయం సాధించడానికి ప్రయత్నిస్తారు. నిత్యం మనం కాలంతో ప్రయాణం చేస్తాం, కాలంతో పోరాడుతాం, సమయం వేగంగా పోతుందని కొందరు ఆందోళనచెందుతారు. కానీ మనం ఉదయం సూర్యోదయం నుండి సాయంత్రం సూర్యాస్తమయం వరకు సమయాన్ని చక్కగా సద్వినియోగం చేసుకుంటే సమయం మనది అవుతుంది.....

నా మరుపురాని ప్రయాణం

నా పాఠశాల జీవితం కచ్చితంగా ఒక అభ్యాస అనుభవం. అది నాకు ఇచ్చిన విశ్వాసం మరియు

ప్రేరణ, నేను మరెక్కడా పొందలేకపోయాను.మరీ ముఖ్యంగా నా ప్రత్యేకతను, వ్యక్తిత్వాన్ని గుర్తించిన ప్రదేశం ఇది. నా పాఠశాల జీవితం నాకు జీవితంలో అమూల్యమైన ఆనందాన్ని ఇచ్చిన నిధికంటే తక్కువ కాదు.ఇక్కడ నేను వర్ణమాల నేర్చుకోవడం ప్రారంభించాను.మరియు ఇప్పుడే అది ఉపయోగించి దీనినిరాస్తున్నాను. ఇది నిజంగా నా హృదయంలో ఎప్పటికీ నిలిచిపోయే మరుపురాని ప్రయాణం. నా పాఠశాల జీవితం చాలా

ఉత్సాహం మరియు ప్రేమతో నిండిపోయింది . ఇది కచ్చితంగా నేను నన్ను కనుగొన్న మరియు నా గురించి చాలా నేర్చుకున్న కాలం. నా పాఠశాల జీవితం అంకిత భావం మరియు స్వీయ వాస్తవికతను నేర్చుకోవడంలో నాకు సహాయపడింది. నా ఉపాధ్యాయులను ప్రేరేపించారు.నాకు ఉత్తమమైన దాన్ని సాధించడానికి నన్ను ప్రోత్సహించారు . నేను ఈ విద్యను,జ్ఞానాన్ని ఎప్పుడూ మరువను. నేను ఇక్కడ స్నేహితులను సంపాదించాను. జీవితాంతం అలాగే ఉండే స్నేహితులు నా పాఠశాల జీవితంలో గొప్ప ఆశీర్వాదాలలో ఒకటి నాతోపాటు ఉన్న స్నేహితులు .ఈ ప్రయాణాన్ని మరుపురాని మరియు సులభతరం చేసిన వారు . కొత్తవాటిని ప్రయత్నించే శక్తిని, ధైర్యాన్ని నూరిపోశారు .మన పాఠశాల జీవితంలో మొదటి మరియు చివరి రోజు మరుపురాని రోజులు అని మనందరికీ తెలుసు .నేను ఏడుస్తూ మా స్కూల్లోకి ప్రవేశించాను .వెళ్లేటప్పుడు కూడా నా కళ్ళల్లో అదే కన్నీళ్లు. వెళ్లడానికి ఇష్టపడకపోవడానికి మొదటిది, మరియు రెండవది విడిచిపెట్టడానికి ఇష్టపడకపోవడం అనేది తేడా .ఈ పాఠశాలలో గడిపిన రోజులు నా జీవితంలో ఉత్తమ రోజులుగా ఎన్నటికీ మరువని రోజులుగా మిగిలిపోతాయి.

మనసు

మనసు.....మనసే

ఆలోచనల అల్లకల్లోలం మనసు

మనసు శరీరాన్ని గాయపెట్టకుండానే బాధపడుతుంది.

మనసుదీని గురించి చెప్పాలంటే పుస్తకాలు సరిపోవేమో అయినా

నాకు తోచింది ఈ చిన్న వ్యాసం ద్వారా చెప్పాలనుకుంటున్నాను.

మనసు మనోభావాలయంత్రం. మనం ఎలా ఉంచుకుంటే అలా

ఉంటుంది. మనం ఎలా ఆలోచిస్తే అలాగే ఆలోచిస్తుంది. మనం ఆనంద

విషయాలను గుర్తుచేసుకుంటే ఎంతో ఉల్లాసంగా ఉత్సాహంగా మనసుకు ఎంతో హాయిగా ఉంటుంది.

మనం బాధపడుతూ ఆలోచిస్తూ మనకు అనియంత్రిత చర్యగా దానంతట అదేబాధపడిపోతుంది.

మనం బాధను ఆలోచించి వదిలేసినా కానీ మనసు మాత్రం బాధపడుతూనే ఉంటుంది.మనస్సుకు

నొప్పి తెలియదు కానీ మనస్సుకు మాత్రం గాయలవుతుంటాయి. మనసును కొంచెం ఆలోచనతో తట్టి

లేపితే చాలుఅనియంత్రితచర్యగా పనిచేస్తూనే ఉంటుంది .ఆనందాన్ని కలగజేసే ఆలోచనలతో

మనసును తట్టి లేపితే ఆ రోజంతా ఆనందంగా ఉంటుంది .మనసు, ఆలోచన రెండు వేరువేరు అనే

ఆలోచనతో రాశాను.కాని అవి రెండూ ఒక్కటా కాదా అనేది మాత్రం నాకు తెలియదు.ఆలోచనల

హెూరు ఎలా ఉంటే మన మనసుఅంత వేగంగా అలకల్లోలంగా మారుతుంది . అనేది నా భావన.

అందుకే ఒకటి మాత్రం నిజం. మన మనసు అల్లకల్లోలం కాకూడదు అనుకుంటే ఎప్పుడు ప్రశాంతంగా

ఉండేందుకు ప్రయత్నిస్తూనే ఉండాలి.ప్రయత్నిస్తుండడంలోతప్పు

లేదుకాని ప్రయత్నించకపోవడం మే తప్పు.

క్యాంటీన్ లో జ్ఞాపకాలు

ఈ ప్రపంచంలో నాకు అన్నిటికన్నా ఇష్టమైన ప్రదేశం, నా స్కూల్ క్యాంటీన్నేను 12 సంవత్సరాల క్రితం మొదటి సారిగా ఈ పాఠశాలలో ప్రవేశించి సమోసా కోసం గుంపుతో పోరాడటానికికష్టపడ్డాను. సమోసా ధర లాగా దాని పట్ల నాకు నా ప్రేమ పెరుగుతూనే పోతుంది. ఈ క్యాంటీన్ లో ఉన్న జ్ఞాపకాలు మరువలేనివి. చిన్న చిన్న పార్టీల నుండి, క్యాంటీన్ లో చిన్న అప్పులు చెయ్యడం వరకు. కిటికీ క్యాంటీన్లో ఉత్తమ స్థానం. అందరూ వెళ్ళిపోయినప్పుడు మరియు అంత నిశ్శబ్దంగా ఉన్నప్పుడు కూడా ఒక విధంగా ఎప్పుడు విసుగు చెందదు. మేము కూర్చున్న కూర్చీలు నా జ్ఞాపకాలను మళ్ళీ నా మెదడు లో తిరిగి చూపిస్తున్నట్లు అనిపిస్తుంది. అందమైన జ్ఞాపకాలు ప్రతి నవ్వు, ప్రతి ఏడుపు, ప్రతి కౌగిలింత మరియు ప్రతి పోరాటం వీటి కోసం నేను ఎల్లప్పుడూ కృతజ్ఞతతో ఉంటాను. ఇది నేను వర్ణించలేని ఒక ఇంటి లాంటి అనుభూతిని కలిగిస్తుంది. కఠినమైన రోజు చివరిలో నాకు కావాలింది నా గాఢస్నేహితులతో కలిసి కూర్చోని నవ్వడం. అప్పుడు నా హృదయ తేలిక అనిపిస్తుంది. ప్రతిసారి నేను క్యాంటీన్ లో ప్రవేశిస్తున్నప్పుడు, నేను ఒక చిరునవ్వు తో ప్రవేశిస్తాను. ప్రతి స్నేహితులసమూహంలో ఒకరు ఎప్పుడు స్విగ్గి గా మారుతారు. ఐదు సమోసాలు తీసుకెళ్ళి తన స్నేహితులకు డెలివరీ చేసే బాధ్యత ఆమెదే. అది నేనే. నేనే ఆ స్విగ్గినికానీ నేను ప్రతిక్షణం ఆనందిస్తాను.

నువ్వు ఎవరు?

మనల్ని " నువ్వు ఎవరు?" అని ఎవరన్నా అడిగితే మనం ఏం జవాబు ఇస్తాము? మన పేరు మరియు మిగతా వివరాలు చెబుతాము. కాని మనం ఎవరన్నది మన పేరు, కులం, జాతి ఏదీకాదు. మనం ఎవరిని చెప్పేది మన గుణాలు. మనం ప్రవర్తించే విధానం, మనం ఎదుటివారితో ఎలా జీవిస్తామో అన్నది. ఎదుటివారు మన ప్రవర్తనను, మన గురించి మనల్ని ప్రశ్నించే విధంగా ఉండకూడదు. మన గురించి ఎదుటివారు చెడుగా మాట్లాడే అవకాశం ఇవ్వకూడదు. అలా అని మనం ఏ పొరపాటు

చేయకుండా ఒక పరిపూర్ణ మనిషిలా ఉండాలే. ఎందుకంటే మనిషి అని నాకు ఏదో ఒకచోట తప్పు చేస్తాడు. కానీ ఏ పరిస్థితుల్లోనైనా బలంగా భయపడకుండా ఉండాలి. మనం ఎవరన్నది పక్క వారు చెప్పకూడదు. మనం ఎవరన్నది మనకు మాత్రమే తెలుసు అందుకే ఎవరన్నా మన గురించి చెడుగా మాట్లాడితే పట్టించుకోకుండా దిగులు పడకుండా ఇప్పుడు సంతోషంగా ఉండాలి.

నమ్మకం

నమ్మకం లేని స్నేహం,
నమ్మకం లేని ప్రేమ,
నమ్మకం లేని బంధం,

మనశాంతిని దూరం చేస్తాయి. అందరిని ప్రేమించు కొందరిని నమ్ము అనే షేక్స్పియర్ అన్నాడు. నమ్మకం అనేది ప్రాణంతో సమానం. ప్రాణం అయినా నమ్మకమైన ఒకసారి పోతే తిరిగి రాదు. నమ్మకం మనేది ఏర్పరచుకోవడానికి కొన్ని సంవత్సరాలు పట్టవచ్చు. అదే నమ్మకంకోల్పోవడానికి ఒక్క క్షణం చాలు. నమ్మకం కోల్పోయిన తరువాత ఎంత నటించినా ప్రయోజనం ఉండదు. అందుకే ప్రాణం పోతున్న నమ్మకాన్ని మాత్రం కాపాడుకోవాలి. ఒక అబద్ధం వల్ల కూలిపోయిన నమ్మకం వేయి నిజాలు చెప్పిన రాదు. నమ్మకం కోల్పోతే ఆ మనిషి నీకు ఇచ్చిన బలంకు కూడా కోల్పోవలిసిన పరిస్థితి వస్తుంది. నమ్మకానికి చిన్న ఉదాహరణ తండ్రి తన బిడ్డను పైకిఎగరేస్తాడు. బిడ్డ ఏడవాలి కానీ నవ్వుతుంది. అదే నమ్మకం ఒక చిన్న కూతురికి తన నాన్న పైన ఉన్న నమ్మకం తనవయసు కన్నా ఎక్కువ. నమ్మకం ఉంటే మౌనం కూడా అర్థమవుతుంది. నమ్మకమే ఏ బంధాన్నికైనా ఉంది. నమ్మకం అనే పునాది మీద అబద్ధాలు అనే ఇటుకలను పేర్చి ఎంత అందమైన కోట కట్టిన ఎదో ఒక్క రోజు సమయం వచ్చినప్పుడు నిజమని చిరుగాలి దెబ్బకు పునాదులతో సహా కూలిపోతుంది. చివరగా నేను చెప్పేది ఏమిటంటే నిన్ను నమ్మిన వారిని మోసం చేయకు నిన్ను మోసం చేసిన వారిని తిరిగి నమ్మకు.

మన జీవితం వీడియో గేమ్ వంటిది

కోవిడ్ కాలంలో, మనలో చాలామంది వీడియో గేమ్లు ఆడటం మన జీవితంలో ఒక భాగంగా తీసుకున్నాము. అయితే, మన జీవితం ఆటకంటే భిన్నమైనది కాదని కాదన్నా వాస్తవాన్ని ఎప్పుడైనా ఆలోచించామా?

జీవితం ఒక వీడియో గేమ్ అయితే, అది చాలా కష్టమైనది. గేమ్ లో ఉండే 'రీసెట్' అందుబాటులో ఉండదు. 'లెవెలింగ్ విధానంలో రూపొందించబడితే, మొదట 'గాచా' ఏదైనా సంపాదించడానికి మరియు 'లెవెల్ ఆప్ కుచోటు. ఇది ఇల్లు మరియు పాఠశాల జీవితంలో జ్ఞానం పొందకుండా, ' స్పీడ్ రన్' కూడా చెయ్యలేము. 'స్టోరీ' మరియు 'ఫీచర్స్' మా జీవితంలో వింతగా ఉంటాయి. బతకడానికి 'లాగిన్ నోన్స్', 'స్ట్రాటజీ మరియు 'వీకి' ఉండవు.

కష్టాలు కేవలం 'బగ్స్', వాటిని దాటితేనే 'లీడర్ షిప్' మీద మన పేరు ఉంటుంది. 'ప్లే టైమ్' కేవలం పెరగడానికి ఒక 'అభీవ్ మెంట్' 'ర్యాంక్ మ్యాచ్' లో మనం 'స్కోర్' చేయకుంటే " ఎన్.పి.సి " గా మిగిలిపోతాము.

'రిస్కో' చేస్తే విజయం సాధించే మార్గం కనుగొంటాము. మనకు ఓకే జీవితం లభిస్తుంది. సరైన దారిలో వెళ్తున్నామా అని ప్రశ్నించుకోవాలి. గేమ్ లో గెలవాలంటే 'ప్లేట్రూ'లో చేసిన 126 మిలియన్లు నష్టాలను తిరిగి చూసుకోవాలి.

'పైనల్ బాస్' వద్ద అందరూ ఆడటం ఆపేస్తారు. ఎందుకు? వారు ఓటమినను అంగీకరిస్తారు కాని, గెలవాలన్న తపనతో ప్రయత్నిస్తే, ఒక ప్రత్యేక అనుభూతిని పొందుతాము. ఏ అనుభూతి? 'ది గ్రేటెస్ట్ ప్లేయర్ ఆఫ్ ఆల్ టైమ్' అంటే విజయ వంతమైన వ్యక్తి అన్న అనుభూతి కలుగుతుంది.

అమ్మాయి ఎలా ఉండాలి?

నేటి సమాజంలో అమ్మాయి ఎలా ఉండాలి? అరే ఇదేమి ప్రశ్న? బాగానే ఉన్నాము కదా! అమ్మాయిలందరం అయినా ఒక్కసారి మా అమ్మని అడుగుదాం. అంటే మా అమ్మ ఇచ్చిన సమాధానం వాళ్ళు చిన్నగా ఉన్నప్పుడు ధైర్యంగా బయటకి వెళ్లే వాళ్ళం. కానీ ఇప్పుడు బయటకి వెళ్లిన ప్రతిసారి “జాగ్రత్త “అని చెప్పాల్సిన అవసరం ఏర్పడింది. ఎందుకు అని ఆలోచిస్తే నేటి సమాజంలో మనకు ఉన్న సోషల్ నెట్వర్క్, అవునువాట్స్, ఫేస్బుక్, ఇన్స్టాగ్రామ్ వీటిని మంచి కంటే చెడుగా వాడుకోవటం వల్ల చాలా

మంది బుద్ధివక్రీకరించి, అమ్మాయిల భద్రత ప్రశ్నార్థకంగా మారింది కాబట్టి అమ్మాయిల రక్షణ అమ్మాయిల చేతిలోనే ఉంది. బయటకు వెళ్ళినప్పుడు చాలా జాగ్రత్తగా ఉండాలి. తల్లిదండ్రులు, బంధువుల ఫోన్ నెంబర్లు దగ్గర ఉండాలి. కొత్త వాళ్ళు ఎదురు పడితే వారి ప్రవర్తన ఇబ్బందిగా ఉంటే అక్కడ ఎవరు ఉన్న వారి సహాయం తీసుకోవాలి. తల్లిదండ్రులకు చెప్పకుండా బయటికి వెళ్ళకూడదు. అలాగే కొత్త వాళ్ళతో స్నేహం చేసే అప్పుడు వాళ్ళ ప్రవర్తన సరిగ్గా ఉందా లేదా గమనించి ముందుకు వెళ్ళాలి. కొంతమంది అమ్మాయిలు తల్లిదండ్రులకి తెలిసి తెలియక చాలా విలాసవంతంగా డబ్బులు ఖర్చు పెడతూ ఇతరులపై కూడా వారి ప్రభావం పడే లాగా చేస్తారు. అలాంటి వారితో జాగ్రత్తగా ఉండాలి.

ఒక మాటలో చెప్పాలంటే అమ్మాయిలు చాలా తెలివిగా, ధైర్యంగా, బుద్ధిగా ఉంటూ వారు అనుకున్నా లక్ష్యం వైపు ముందుకు వెళ్ళాలి.

ఈ క్రమంలో వచ్చే ఒడిదుడుకులను ధైర్యంగా ఎదురుకోవాలి. వారి సమస్యలను వారి తల్లిదండ్రులకు, గురువులకు చెప్పినట్లయితే సరైన సలహా లభిస్తుంది.

రైతులు సేంద్రియ ఆహారాన్ని మాత్రమే పండించాలి

రైతులు ఈ కాలంలో ఎక్కువగా రసాయన పంటను పండిస్తూన్నారు. ఆనాటికాలంలో సేంద్రియ ఆహారాన్ని మాత్రమే పండించారు. ఇప్పుడు వాళ్ళకు నష్టం రాకూడదు. అవివాళ్ళు రసాయన ఆహారాన్ని పండిస్తున్నారు. కానీ దానివల్ల అందరి ఆరోగ్యాలు చెడిపోతాయి. అప్పటి కాలంలో మన పూర్వీకులు ఎంతో బలంగా ఉండేవారు. ఏ జబ్బు రాకుండా బలంగా ఉండేవారు. కాని ఈ కాలంలో మనం ఎంతో బలహీనంగా ఉంటున్నాము. ఎందుకంటే వాళ్ళు రసాయనాలు లేని ఆహారాన్ని తినేవాళ్ళు. కాని ఇప్పుడు మనం రసాయనాలు కలిగిన ఆహారాన్ని తింటున్నాము. వచ్చే కాలంలో పిల్లలు, పెద్దవాళ్ళు ఇంకా ఎక్కువగా బలహీన పడతారు. అందువలన రైతులు సేంద్రియ ఆహారాన్ని పండించడం ఎంతో ముఖ్యం. మరియు అవసరం రసాయనాలతో పండిస్తే లాభం రావచ్చు. కాని ఆరోగ్యం తిరిగి రాదు. మనం బలంగా ఉండాలి అంటే రసాయనిక ఆహారాన్ని తినవద్దు. మనం తినకూడదు అంటే రైతులు సేంద్రియ ఆహారాన్ని మాత్రమే పండించాలి. అప్పుడు మనం మరియు వాళ్ళు కూడా ఆరోగ్యంగా, బలంగా ఉంటాము. అందువలన సేంద్రియ ఆహారాన్ని రైతులు పండించాలి.

“మల్లెపువ్వు వంటి మనసే నీదమ్మా
నిండు వెన్నెలైనా నీ సాటి రాదమ్మా
కల్లలెరుగని పిల్లలమేమమ్మా
మా నాగమణమ్మా నీవు దొరకడం మా వరమమ్మా!”
చిరునవ్వు ఆమెకు ఒక ఆభరణం
మృదు మధుర భాషణం ఆమెకి భూషణం
ఎంత ఎదిగినా ఒదిగి ఉండాలనే గుణం ఆమెకే సొంతం
“ మా మంచి మిస్సు, కలిగి ఉంది అందరిని ప్రేమించే
మనస్సు ”

మనిషేమో గంభీరం, మనసేమో నవనీతం

మీ ఒరవడి తెలుగు భాషకి సృజనాత్మక సమ్మేళనం
మా మనస్సులకు చేసింది అది ఆనంద హేళం
మీ పాఠంతో పరవశించింది విద్యార్థుల హృదయాంతరాళం
ఎక్కడ తప్పులేదు మీ పాట తాళం.
